Dear Sir

I am writing you in regards as to receive any information concerning my old age pension pay.

I am now almost 65 and I have no records of any kind to prove my age or marriage.

Could you please see if you could find me my Home Stead Entry & my filing records.

The reason I don't get these is because my ~~Home~~ or house was completely destroyed by fire in 1954. And I lost all valuable papers + etc with it.

I filed on the following quarter

I will be 65 years of age on Oct 5th

Re: Account of Mickel Hensel,
N.E.¼ 35-16-3-W4.

Dear Sir:

During the years 1915, 1919 and 1920 while homesteading the above mentioned land, Mr. Mickel Hensel received seed grain, fodder and relief as a loan from the Government of Canada. The loan was secured by a lien on the title of the land of which we understand you are now the registered owner. No doubt you will be interested in settling the debt and having the title of your land cleared. The amount outstanding is $1,474.02 of which $429.97 is principal and $1,044.05 is interest.

The Seed Grain Advisory Board was set up by the Government of Canada some years ago to investigate seed grain, fodder and relief accounts and in cases where the amount of the indebtedness is large compared to the value of the land or other circumstances exist, to recommend a reduction of the debt.

You may feel that there are extenuating circumstances in your case. If so, you should write to the undersigned giving full details which will be presented to the Seed Grain Advisory Board for consideration. The Board will then review the account and you will be advised of the minimum settlement required to pay off the liens.

Yours very truly,

C.K. LeCapelain,
Chief, Lands Division.

A solicitor acting for the above named debtor communicated with this office in November of 1955 and submitted an offer of Two Hundred ($200.00) dollars for settlement of both accounts and release of the liens. He was advised that in view of the large amount of the indebtedness and unless there were extenuating circumstances the offer could not be considered satisfactory. He was requested to furnish information pertaining to the debtor's circumstances.

In reply he advised that the debtor's assets consisted of a house in the City of Medicine Hat, valued at Four Thousand Five Hundred ($4,500.00) dollars and title to the N½ of the above described Section which land he was selling for a total consideration of Three Thousand Five Hundred ($3500.00) dollars. Out of these assets he would have to meet legal fees and transfer costs, arrears of taxes, etc., approximating One Thousand ($1[illegible].00) dollars. He has no income other than that payable under the agreement of sale and resides in his house at Medicine Hat.

On the basis of the information that we had obtained and in view of the fact that there was no urgent need to clear the titles, at this particular time, the solicitor was advised that the offer submitted which had been increased in January to Three Hundred ($300.00) dollars, would hardly be sufficient to retire the account. The offer for compromise settlement was increased to Five Hundred and Fifty ($550.00) dollars and I then considered that it was in line with other settlements which were negotiated under similar circumstances. Payment of the said offer of Five Hundred and Fifty ($550.00) dollars has been received and I would recommend that it be accepted as a satisfactory settlement of both accounts.

I would further recommend that the sum of Three Hundred and Fifty ($350.00) dollars be applied to account for Dominion Advances and the sum of Two Hundred ($200.00) dollars be applied to the Joint Relief Advances and that after application of these amounts is made the accounts be adjusted so that they will stand paid in full and all liens be released from the titles.

Straight Provincial Seed Grain Advances in the principal amount of Thirty-Four dollars and Thirty-Eight cents ($34.38) have already been cancelled.

Yours very truly,

[signature]

Chief Collector.

Re: account of Paul Podolczuk,
S.W.¼ 20-72-3-W6.

Dear Sir:

During the years 1917 and 1919 while homesteading the above mentioned land, Mr. Paul Podolczuk received seed grain as a loan from the Government of Canada. The loan was secured by a lien on the title of the land, of which we understand you are now the registered owner. No doubt you will be interested in settling the debt and having the title of your land cleared. The amount outstanding is $485.12 of which $146.00 is principal and $339.12 is interest.

The Seed Grain Advisory board was set up by the Government of Canada some years ago to investigate seed grain, fodder and relief accounts and in cases where the amount of the indebtedness is large compared to the value of the land or other circumstances exist, to recommend a reduction of the debt.

You may feel that there are extenuating circumstances in your case. If so, you should write to the undersigned giving full details which will be presented to the Seed Grain Advisory Board for consideration. The board will then review the account and you will be advised of the minimum settlement required to pay off the liens.

Yours very truly,

C.K. LeCapelain,
Chief, Lands Division.

RE: S.W. ¼ 20-72-3-W.6th

We wish to thank you for your letter of the 15th of March, 1956, informing us of the extenuating circumstances which you believe warrant a reduction in your seed grain account charged against the above land.

There would appear to be sufficient reasons for granting a reduction in your case. In order to assist you in clearing your title, if you will remit the principal amount of $146.00, within a reasonable time, it will be recommended to the Seed Grain Advisory Board that the accrued interest of $339.12 be cancelled. Your cheque or money order should be made payable to the Receiver General of Canada and forwarded in care of the undersigned.

RE: Account of Paul Podolczuk
S.W. 20-72-3-W.6th

The matter of an application for an adjustment of indebtedness outstanding against the above mentioned party is referred to you, constituted as a Board to deal with such cases. Having completed an investigation I am now in a position to report as follows:-

In 1917 and 1919 seed grain in the amount of $285.00 was advanced to Paul Podolczuk on the security of the above described land. In 1925, 1927 and 1929 payments of $15.00, $140.00 and $100.00 respectively, were received and applied to principal and interest. The present standing of this account is:

Principal	Interest	Total
$146.00	$339.12	$485.12

In reply to our enquiry concerning the Federal indebtedness charged against the land, Mr. Paul Podolczuk, Bezanson, Alberta, on the 15th of March, 1956, wrote as follows:-

> "Received your letter some time ago at that time I was not home. So I am answering now. When I got your moeny I went to the elevator and bought some seed wheat. They sold me some wheat and I seeded in that spring. But I did not get any crop of because it was a mixed seed, spring wheat and winter wheat. It frose that fall. I have had many years of hard time there was years we could not harvest any crop and there drownd out with rain, was frosted crop too. ever since then I got married and have 11 healthy children. I now work in the mill to feed my family. We cannot sell our grain here cause they don't want garnet wheat, and thats kind of wheat that will ripen in this country. The other I have tride and they are of long time to ripe and it freshes. I don't know how soon I will start making payments I will try hard some time this spring. I would like you cut som interest.if possible,"and thank you for waiting so long."

After negotiations the sum of $146.00 representing the principal has been received in full settlement of our account. Under the circumstances and in view of the previous payments, this is considered equitable.

NIGHT LETTER

ALL NIGHT LETTER MESSAGES TAKEN BY THIS COMPANY ARE SUBJECT TO THE FOLLOWING TERMS WHICH ARE HEREBY AGREED TO

The Canadian Pacific Railway Co's Telegraph will receive not later than midnight NIGHT LETTERS, to be transmitted only for delivery on the following morning, at rates still lower than standard night message rates, as follows: the standard day rate for ten words shall be charged for the transmission of fifty words or less, and one-fifth of such standard day rate for ten words shall be charged for each additional ten words or less. The minimum charge for any NIGHT LETTER will be twenty-five cents for fifty words or less.

It is agreed between the sender of the following message and this Company, that said Company shall not be liable for damages arising from failure to transmit or deliver, or for any error in the transmission or delivery of an unrepeated telegram, whether happening from negligence of its servants or otherwise, or for delays from interruptions in the working of its lines, for errors in cypher or obscure messages, or for errors from illegible writing, beyond the amount received for sending the same.

To guard against errors, the Company will repeat back any telegram for an extra payment of one-half the regular rate, and in that case it shall not be liable for damages beyond fifty times the amount received for sending and repeating.

Correctness in the transmission of messages can be insured by contract in writing, stating agreed amount of risk, and payment of premium thereon at the following rates, in addition to the usual charge for repeated messages, viz: one per cent. for any distance not exceeding 1,000 miles, and two per cent. for any greater distance.

This Company shall not be liable for the act or omission of any other Company, but will endeavor to forward the telegram by any other Telegraph Company necessary to reaching its destination, but only as the agent of the sender and without liability therefor. The Company shall not be responsible for messages until the same are presented and accepted at one of its transmitting offices; if a message is sent to such office by one of the Company's messengers, he acts for that purpose as the sender's agent; if by telephone, the person receiving the message acts therein as agent of the sender, being authorized to assent to these conditions for the sender. This Company shall not be liable in any case for damages, unless the same be claimed, in writing, within sixty days after receipt of the telegram for transmission.

In further consideration of the reduced rate for this special "NIGHT LETTER" service, the following special terms are hereby agreed to:

A. NIGHT LETTERS may at the option of the Telegraph Company be mailed at destination to the addressee and the Company shall be deemed to have discharged its obligation in such cases with respect to delivery by mailing such NIGHT LETTERS at destination, postage prepaid.

Homestead entry of Floyd C. MacKenzie

Date of entry October 5, 1914

I beg to call your attention to the fact that this entry is now over five years old. Please take ordinary cancellation proceedings at once on the ground of failure to apply for patent and at the same time instruct a Homestead Inspector to report.

If no defence is filed and if the Inspector's report shows no duties performed, you may at the end of the sixty days and on receipt of the required report, carry out cancellation if aware of no reason to the contrary, dealing with the land and reporting your action here in the usual way.

In all other cases where a defence is filed or where the Inspector's report shows duties performed, you should refer here before cancelling.

In every case the Inspector should give full information as to the nature of the land, using the blanks provided in the form of report for that purpose. The fullest possible information should be given in regard to cuties and improvements.

Inspectors should make careful enquiry to find out whether the entrant may possibly be on military service or may be a returned soldier.

In any case where there is some special condition existing which would render it advisable not to dispose of the land in the ordinary way under entry to soldiers, the report should contain full particulars and the matter should be referred here before any action is taken.

A copy of any letter or form issued by you should be sent here to complete Head Office record.

Re: Account of F.L. McKenzie,
S.W.¼ 14-67-19-W4.

Dear Madam:

During the year 1915 while homesteading the above mentioned land, Mr. F.L. McKenzie received relief as a loan from the Government of Canada. The loan was secured by a lien on the title of the land, of which we understand you are now the registered owner. No doubt you will be interested in settling the debt and having the title of your land cleared. The amount outstanding is $195.00 of which $65.00 is principal and $130.00 is interest.

The Seed Grain Advisory Board was set up by the Government of Canada some years ago to investigate seed grain, fodder and relief accounts and in cases where the amount of the indebtedness is large compared to the value of the land or other circumstances exist, to recommend a reduction of the debt.

You may feel that there are extenuating circumstances in your case. If so, you should write to the undersigned giving full details which will be presented to the Seed Grain Advisory Board for consideration. The Board will then review the account and you will be advised of the minimum settlement required to pay off the liens.

In reference to your letter of Feb. 9.
in Re: Account of F. L. McKenzie.
S.W ¼ 14-67-19-W4.

There has been some mistake as F. L. McKenzie was still living in the States in 1915 and didn't come to Canada until 1924 and it was some years later before he filed on this homestead.

To my knowledge there was never any loan at any date, and if there was, why wasn't I notified of this before this late date? I should have been notified at the time I filed on this homestead if there was any indebtedness against it.

Hoping that this will clear the matter up. Thank you & Remain, Yours truly,

RE: Account of Floyd L. McKenzie
N.W. ¼ 12-56-15-W.5th
S.W. ¼ 14-67-19-W.4th

The matter of an application for an adjustment of indebtedness outstanding against the above mentioned party is referred to you, constituted as a Board to deal with such cases. Having completed an investigation I am now in a position to report as follows:-

In 1915 relief amounting to $65.00 was advanced to Floyd L. McKenzie on the security of the N.W. ¼ 12-56-15-W.5th and later became a charge against the S.W. ¼ 14-67-19-W.4th. No payment has ever been received and the present standing of this account is:-

Principal	Interest	Total
$65.00	$130.00	$195.00

The N.W. ¼ 12-56-15-W.5th was formerly the homestead entry of the debtor whose entry was cancelled on the 9th of April, 1921. The land was later re-entered upon by a Mr. Frank Fooks to whom patent issued in 1942, subject to the indebtedness of the former entrant.

The S.W. ¼ 14-67-19-W.4th was the second homestead entry of the debtor to whom patent issued in 1943 subject to the liens.

Both of these quarter-sections are of very low assessed value and have never been revenue producing sufficiently to enable the repayment of the liens. The N.W. ¼ 12-56-15-W.5th is described as having 15 acres cultivated, 50 acres in bush and 65 acres pasture, while the S.W. ¼ 14-67-19-W.4th is a sub-marginal quarter-section with an assessed value of only $370.00.

On the 20th of February, 1956, Mr. Frank Fooks of Acme, Alberta, wrote us as follows:-

"In reference to your letter on loan to Floyd McKenzie on N.W. ¼ 12-56-15-W.5th for relief. When I filed on this land in Edmonton I was not told there was any debt against it. It was not until 1942 when I received my Certificate of Title that I found out there was a lein against the land. I wrote to the Land Office in Edmonton at that time and told them I had received no relief. They wrote back and told me that Floyd McKenzie had received it in 1915 and referred me to Ottawa. I don't see why I should pay for Mr. McKenzies relief as I understand he was still farming in northern Alberta at that time."

On the 21st of February, 1956, Mrs. Edna Y. McKenzie of Colville, Washington, U.S.A., wrote us as follows:-

"In reference to your letter of Feb. 9 in Re: Account of F.L. McKenzie S.W. ¼ 14-67-19-W.4th.
There has been some mistake as F.L. McKenzie was still living in the States in 1915 and didn't come to Canada until 1924 and it was some years later before he filed on this homestead. To my knowledge there

Hoping that this will clear the matter up. Thank you."

The information obtained indicates that the land is such that it no longer offers any security of value fomr our liens. Under the circumstances it is recommended that the indebtedness be cancelled and the liens discharged.

W.J. Taylor.

Ottawa, June 26th, 1919.

Sir,

Your Reference 192766.

Referring to the homestead entry which you granted on the 22nd of April to Mr. Charles Edward Finley for the South West quarter of Section 26, Township 59, Range 10, West of the 4th Meridian, it is observed that the entrant previously held the South East quarter of Section 26, Township 56, Range 1, West of the 5th Meridian as an ordinary homestead, and it is assumed that before you granted fresh entry he surrendered the Departmental letter sent him on the 4th of January, 1917, authorizing fresh entry in lieu of the above mentioned quarter section which he voluntarily abandoned.

On different occasions your attention has been drawn to the instructions sent you in the Circular Letter of the 14th of November last, and it is not understood why you do not follow these instructions and send here with the application the letter sent from the Department to the entrant authorizing fresh entry as in the above case.

In future be good enough to see that -the-

The Agent of Dominion Lands,
Edmonton,
Alberta.

the instructions sent you in the above Circular Letter are properly carried out, and I am to ask you to at once send here the Departmental letter above referred to.

Your obedient servant,

Ottawa, 4th January, 1917

SIR,

I beg to inform you that your entry for the South East Quarter of Section 26, Township 56, Range 1, West of the 5th Meridian, will now be cancelled in accordance with the abandonment you have executed and the land made available for re-entry, provided the Local Agent is aware of no reason to the contrary.

The improvements, according to your statement, consist of :—

Log house, partly cr, valued at $20.00.

When re-entry is granted, the improvements, if any, will be valued by a Homestead Inspector, and the amount of such valuation will be collected from the party securing the land.

The surrender of this letter to any Agent of Dominion Lands will serve as his authority for granting you another homestead entry for any available land on the ordinary terms.

Please note that if you are indebted to the Department for Seed Grain, you are only permitted to make a fresh entry subject to the transfer of such Seed Grain indebtedness to the land for which you may enter under the authority of this letter

Your obedient servant,

Assistant Secretary.

Re - Charles E. Finley,
S.W. 26-59-10-W. 4th M.
Your Ref. #192766.

I am in receipt of your letter of the 20th instant forwarding report made by Homestead Inspector Doze stating that Mr. Finley is living in Edmonton but that he did not obtain his address, and also that there is no one living on the farm or working the cultivated land.

The report would further indicate that he had left the property with the intention of not returning, and efforts should, therefore, be made to ascertain the particulars of his address.

I might state that the annual statement addressed to Mr. Finley at Owlseye Lake was apparently redirected by the postal authorities to Edmonton, and was finally returned for better direction. No statement will therefore be forwarded for 1927 or until particulars of his whereabouts are known.

I might state for your information that a writ appears registered against Mr. Finley's title in favor of F.C. Colwell. This information might be of some assistance to you.

It would also be desirable to have the case noted for report as to any crop that might be grown in 1927.

Re: S.W.26-59-I0-4th

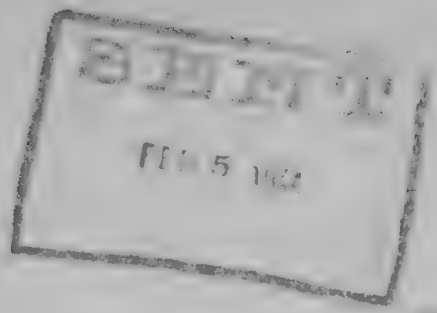

Mr.Walter Schulz, the present owner of the above land, has called on me with your letter of the I7th instant, in which you request payment for seed grain advance to the former owner of the land.

The above land came into the hands of this Municipality as a result of Tax Recovery proceedings, and, after laying vacant for several years, the council sold the land to the present occupier, Walter Schulz, under an agreement of sale. The land was sold for $600.00 on time payments, and when the payments are completed the purchase price will be pro-rated between the various taxes and the seed grain debt. Mr.Schulz is to obtain a clear title when he has paid the purchase price in full together will all interest charges. I do not know yet what amount will be available for the seed grain indebtedness, but the purchase price will be equally pro-rated.

RE: Account of Charles E. Finley
S.W. ¼ 26-19-10-W.4th

The matter of an application for an adjustment of indebtedness outstanding against the above mentioned entry is referred to you, constituting as a Board to deal with these cases. Having completed an investigation I am now in a position to report as follows:-

In 1920 seed grain amounting to $[illegible] was advanced to Charles E. Finley on the security of the above mentioned land. No payment has ever been received and the present status of this account is:-

Principal	Interest	Total
$135.00	$13.50	$148.50

Patent was issued in the name of Charles E. Finley for the S.W. ¼ 26-19-10-W.4th on the 15th of August, 1923, subject to the 1920 lien.

This quarter-section is of low assessed value and has never been revenue producing sufficiently to enable the repayment of the lien.

In 1923 the land became subject to forfeiture proceedings for nonpayment of arrears of taxes and title was acquired by the Municipal District of Fairmont No. 605.

According to an Abstract of Title dated the 26th of January, 1926, this quarter-section now stands in the name of the Municipal District of St. Paul No. 86, subject only to our lien.

The information obtained indicates that the land is such that it no longer offers any security of value for our lien. Under the circumstances it is recommended that the indebtedness be cancelled and the lien discharged.

I am in receipt of your communication of the 2nd ultimo, and in reply to say it is difficult to advise you, on the information furnished, of your position to make a successful application for patent for your homestead above described.

I would refer you to page 16 of the enclosed handbook of regulations, under "Wooded Lands" from which you will note that if your homestead is of a class difficult to bring under cultivation a reduction of the area required will be made.

Your attention is also drawn to the same page under "Stock". Before it would be possible to extend permission to substitute stock it will be necessary for the Department to have a detailed report regarding the nature of your land and the possibility in view thereof to place stock thereon in lieu of cultivation.

I would also direct your attention to pages 26-28 of this handbook, covering the farm labour Order-in-Council, and particularly page 28 and the necessity of furnishing the evidence required in the manner prescribed to benefit thereunder

Re: Account of William Wilson,
S.E.¼ 18-35-7-W4.

Dear Sir:

During the year 1920 while homesteading the above mentioned land, Mr. William Wilson received seed grain as a loan from the Government of Canada. The loan was secured by a lien on the title of the land of which we understand you are now the registered owner. No doubt you will be interested in settling the debt and having the title of your land cleared. The amount outstanding is $275.08 of which $78.30 is principal and $196.78 is interest.

The Seed Grain Advisory Board was set up by the Government of Canada some years ago to investigate seed grain, fodder and relief accounts and in cases where the amount of the indebtedness is large compared to the value of the land or other circumstances exist, to recommend a reduction of the debt.

You may feel that there are extenuating circumstances in your case. If so, you should write to the undersigned giving full details which will be presented to the Seed Grain Advisory Board for consideration. The Board will then review the account and you will be advised of the minimum settlement required to pay off the lien.

Yours very truly,

C.K. LeCapelain,
Chief, Lands Division.

S.E. 18-35-7-W.4th

We have your letter of the 4th of May, 1956, informing us that your circumstances at the present time are not good and that you would appreciate a reduction in your account. We believe that there are sufficient grounds for making a compromise settlement in your case.

A recent Abstract of Title shows that besides our lien for $78.30 there are additional encumbrances charged against this land by Improvement District No. 333 and also the Municipal District of Neutral Hills. As we believe that you will wish to have a clear title, we are writing to Mr. S. Cherkas, Chief Collector, Department of Municipal Affairs, Edmonton, Alberta, with a view to having these liens included in whatever settlement is proposed. You should hear from him within the next few days.

Yours very truly,

Dear Sir:

Re: S.E. 18-35-7-W.4th

We are enclosing a copy of a letter received from Mr. William Wilson, Loyalist, Alberta, concerning his seed grain account charged against the above land. A recent Abstract of Title shows agricultural relief liens dated 1936, 1937 and 1938 registered against his title by Improvement District No. 333 and the Municipal District of Neutral Hills.

As we believe that Mr. Wilson would like to have a clear title it will be appreciated if you will investigate this case and advise him as to the minimum amount required to settle both our claims. Our file shows that this land has an assessed value of $470.00 and in view of this it would seem that we should give consideration to making a substantial reduction in our accounts.

Dominion and Agricultural Relief
Advances.

Referring to yours of the 16th ultimo, please be advised that there was no copy of Mr. Wilson's letter included with your correspondence. I may also advise that under date of May 4th, 1956, Mr. Wilson made a payment of $25.45 to our District Office at Consort and this payment was sufficient to retire the Agricultural Relief Advances account on the established policy of 60% being accepted as a satisfactory settlement. Immediately after that date we forwarded our Release Instrument to the Land Titles Office requesting removal of the Liens registered with respect to Agricultural Relief Advances and the said release was executed at the Land Titles Office on May 25th under Instrument Number 3783 K.2.

The Lien you refer to in your above mentioned letter has, therefore, been withdrawn and it would appear to be only the matter of the account for Dominion Advances to be considered at this time.

In view of the circumstances set out above, I believe that you may wish to deal with the debtor direct but if for any reason you would have this office negotiate the settlement, we would be pleased to be so advised.

Dear Sir:

RE: S.E. 18-35-7-W.4th

Since writing to you on the 15th of May, 1956, we have been informed by Mr. S. Cherkas that the agricultural relief liens which were registered against your land have now been removed as this account was settled some time ago. This leaves only the Federal account now outstanding.

In view of the extenuating circumstances you have mentioned, we believe you are entitled to a reduction in this indebtedness.

In order to assist you in clearing your title, if you will remit the principal amount of $78.30, it will be recommended to the Board that the accrued interest of $196.78 be cancelled. Your cheque or money order should be made payable to the Receiver General of Canada and forwarded in care of the undersigned.

RE: Account of William Wilson
S.E. 18-35-7-W.4th

The matter of an application for an adjustment of indebtedness outstanding against the above mentioned party is referred to you, constituted as a Board to deal with such cases. Having completed an investigation I am now in a position to report as follows:-

In 1920 seed grain in the amount of $78.30 was advanced to William Wilson on the security of the above described land. No payment was ever made on this indebtedness until the sum of $78.30 was received when the standing of the account was:-

Principal	Interest	Total
$ 78.30	$ 196.78	$ 275.08

In reply to our enquiry concerning the Federal indebtedness charged against this land, Mr. William Wilson, Loyalist, Alberta, on the 4th of May, 1956, wrote as follows:-

"In reply to your letter of February 9th last with reference to seed grain I received as a loan in 1920 I would advise that I feel that I am unable to pay the full amount of $275.08.

I farm the S.E. 18-35-7-W.4th and that is all the land I own. I have four horses, no cattle, no pigs or chickens, etc.

I have a small tractor and machinery to farm my quarter section.

As you can see my circumstances are not good and I would appreciate a reduction of this account.

I will expect to hear from you in the not too distant future."

The assessed value of this quarter-section in 1952 was only $470.00. Only a small portion of this land is fit for cultivation.

After negotiations the sum of $78.30 representing the principal has been received in full settlement of our account. Under the circumstances and in view of the low value of the land, this is considered equitable.

The undersigned member of the Seed Grain Advisory Board, having taken into consideration the attached report, approves the settlement outlined therein and does hereby recommend:-

1. That the Minister apportion and adjust the Federal indebtedness more particularly described in the attached report, so that on application of the sum of seventy-eight dollars and thirty cents ($78.30), the debt will be paid.

The attached report, with recommendations of the Chief Collector of the Collection Branch, Department of Municipal Affairs, dated January 26th, 1956, has been submitted to the Agricultural Relief Adjustment Board, and in the opinion of the Board the proposed adjustment is fair and reasonable and it is desirable that it be accepted.

In accordance, therefore, with the provisions of the Agricultural Relief Adjustment Act, Revised Statutes of Alberta, 1942, IT IS ORDERED that the recommendations for the adjustment and settlement of the said account contained in the said report, be and the same are, hereby APPROVED AND ACCEPTED.

BOARD ORDER
No. 11613

Dear Sir:

Re: N.E. 2-56-10-W. 4th Meridian,
Gaibri Zawadiuk,
Joint Relief Advances.

The above named debtor obtained the following advance for which a lien has been registered against the Title:

April 14th, 1920	$150.00
Interest to 31/12/55	375.00
	525.00

Payments:

Nov. 12, 1921	$ 5.09	
Dec. 9, 1926	27.08	
		32.17
TOTAL		$492.83

An offer and payment of Fifty dollars ($50.00) has been received from Mrs. Rose Zawadiuk, administratrix of the estate of her husband who has been deceased since December, 1946. Our investigation indicates that at the time of his death the widow was left with three under-aged children and an estate of which the gross value was Twenty-Three Hundred and Twenty-Five dollars ($2325.00) and outstanding obligations were Fourteen Hundred and Fifty-Five dollars ($1455.00), leaving the net value at Eight Hundred and Seventy dollars ($870.00). She was required to supplement her small income from the farm by obtaining employment. The children have now all attained their majority and the widow has continued to support herself by working out. She has received an offer of Four Hundred and Fifty dollars ($450.00) from a resident of the District for a clear Title to the land and an Agreement of Sale has been entered into provided that she can furnish clear Title.

(con't on Page 2).

In view of the fact that there were minor children interested in this estate the Public Trustee of the Province was required to give consideration to the management of the estate until the children became twenty-one years of age. In view of all these circumstances I believe that this is a case deserving of every possible consideration for a compromise settlement and that the offer made is fair and just under the circumstances.

I would, therefore, recommend that the payment of Fifty dollars ($50.00) be accepted as a satisfactory settlement and after application is made the account be adjusted so that it will stand paid in full and the lien released from the Title.

Straight Provincial Seed Grain Advances in the amount of One Hundred and Eighteen dollars and Ninety-Three cents ($118.93) principal, together with accrued interest have already been cancelled.

Yours very truly,

S. Cherniw,
CHIEF COLLECTOR.

NE 10 12 28-W 3rd

This is the homestead of Nelson Criss, patented in his name on the 1st March, 1916 subject to the 1918 liens.

Mrs. Lena Wilson is the applicant for adjustment in so far as this quarter section is concerned and under date of the 20th instant Mr C. Herringer Real Estate Agent Maple Creek Sask. wrote on her behalf as follows,

" Mrs. Lena Wilson is the registered owner of this quarter section which was formerly owned by Nelson Criss. She came into possession of this land through having a mortgage on it and having to foreclose in order to get any thing out of it. She now has a chance to sell this land to [illegible] per acre, but there are liens against this land in favor of the Minister of the Interior which amount to $170 40 and of course the purchaser will not pay same off as Mrs. Wilson is not in a position financially to carry this burden herself. From what we can learn from her these liens were not registered against the land when the land was first but were registered later. The land is worth very little [illegible] and there is not a buyer who has land in the vicinity that he will not try to sell it at any price. I would like to know if we can take this matter in hand and see if this lien cannot be removed. Will you see for yourself that Mrs. [illegible] these liens. She is a widow her husband having been killed in an auto accident in [illegible] for this land will [illegible]."

To this communication the following letter was addressed to Mr Herringer;

" I am in receipt of yours of the 20th instant requesting on behalf of Mrs Lena Wilson, the removal of the Crown lien registered against the above mentioned land, title to which is now recorded in the name of Mrs Wilson by reason of foreclosure of a mortgage given by the original owner Nelson Criss.

An examination of the file in this case shows that Nelson Criss received patent for this land on the 1st March 1916 subject

to the

" to the 1918 liens in the sum of [illegible], plus [illegible] and $3 00 and title issued to [illegible] on the 20th December of that year with those liens [illegible] prior thereto "

A mortgage for $355 00 was registered by Wm T. Nelson on the date title issued but as you will readily understand, is a subsequent charge to the Crown liens This mortgage was transferred on the 1st November 1917 to one Lena David who no doubt is the same person as the present owner, Lena Wilson There were several joint provincial and federal liens registered against this land but as these were registered subsequent to the mortgage they were dropped from title on foreclosure

As the Federal liens are a first charge against this property as the present owner must have been aware of this encumbrance when she accepted transfer of the mortgage, and subsequently took title by foreclosure proceedings she has no claim for the removal of the liens "

Under date of the 24th instant Mr Herringer wrote further as follows;-

" Yours of the 20th inst to hand and we thank you for your promptness in replying

Needless to say Mrs Wilson is very disappointed with the contents what is the latest amount the Department will have to pay to get rid of as mentioned in our letter to you one's only recourse for this land in a sale by it has to pay taxes on it for years and has never received a cent of revenue from the farm She states that she was not aware of the liens when taking over the mortgage otherwise she would not have entered into the deal

Will you kindly let us know the least amount the Department will accept and issue a discharge for these liens "

An Historical Abstract of Title of even date this quarter sheet drawn on the Land Registry Office list shows that Lena Wilson took title on the 7th March 1913 by foreclosure of a mortgage for $355 00 registered 28th December 1912

5389186

opportunity to dispose of it for $647.00 and in view of the circumstances under which she obtained possession of same, it is considered equitable to establish as a charge against the quarter section the sum of $247.54, representing the principal amount of the Peters liens and 50% of the interest accruing thereunder

Re S.E.¼ 27-50-5 W.5th Mer.,
Nelson Criss.

Sir:-

This man formerly held the E.½ 10-12-28 W.3rd as homestead and pre-emption, and later filed on the S.E.¼ 27-50-5 W.5th as a second homestead. His Federal and Joint indebtedness in connection with the Saskatchewan land has been adjusted, and the land released, leaving a balance against the second homestead as shown by the attached statement, in duplicate.

Encl.

As the amount outstanding would appear to be heavy for one quarter section, the case is referred to the Alberta Board for adjustment in connection with the S.E.¼ 27-50-5 W.5th Mer. The file for this land having been sent to the Province, there is no information available regarding same.

Dear Sir :

Your #3230185-2655351.

The matter of an application for an adjustment of the indebtedness outstanding against the above has been referred to the undersigned, constituted as a Board to deal with such cases in the Province of Saskatchewan, and, an investigation having been completed, I am now in a position to furnish the following report :

The indebtedness, with interest computed to March 31st., 1942, is as follows :

Lien.	Principal.	Interest.	Total.
1915, Seed Grain,	$ 28.05	$ 37.95	$ 66.00
1918 seed grain,	53.32	63.58	116.90
1918 fodder and relief, (bal.)	71.55	44.70	116.25
	$ 152.92	$ 146.23	$ 299.15

secured by registration of liens against the South East quarter of 25- 1-14-W3M., and the South West quarter of 32- 3-28-W3M., and as a charge against the South East quarter of 32- 3-28-W3M.

Security.

S.W. 32- 3-28-W3M.

An historical abstract of title, dated February 24th., 1942, shows Grant from the Crown, and title issued to John Weisgerber, on July 24th., 1920, where title now stands, subject only to -

(1) Mechanics' lien filed by the Beaver Lumber Company, Ltd., for $175.00, on July 10th., 1918, as Z.2273;

(c) Dominion liens of John Weisgerber, for $53.32, $28.05, $105.93, $15.25, $3.80 and $44.65, all registered July 24th., 1920, as AE.3897;
(d) Caveat filed by McIlrath Lumber Co, Ltd., on March 10th., 1921, as AV.146; and
(4) Caveat for seed grain filed by the Provincial Treasurer of Saskatchewan, on April 24th., 1941, as CW.1806.

S.E. 32- 3-28-W3M.

This land is unpatented, as at February 24th., 1942, subject to a charge for the Dominion indebtedness, and a mechanics' lien filed by the Beaver Lumber Company, Ltd., for $175.00, on July 10th., 1918, as Z.2273.

The records of the Department of Natural Resources indicate that John Weisgerber still holds this quarter section as a pre-emption entry.

S.E. 25- 1-14-W3M.

An historical abstract of title, dated February 24th., 1942, shows Grant from the Crown, and title issued to John Weisgerber, on November 24th., 1936, with the Dominion liens duly registered. Under transfer title issued to His Majesty the King, Province of Saskatchewan, (Land Utilization Board), on February 12th., 1942, where title now stands, subject only to -

(1) Dominion liens for $3.80, $44.65, $15.25, $28.05, $105.93, and $53.32, all registered November 24th., 1936, as AC.4392.

Under date of December 20th., 1941, the Secretary, Land Utilization Board, Regina, advised that the South East quarter of 25- 1-14-W3M. was being transferred to the Board for inclusion in a community pasture, and asked for a discharge of the liens.

Adjustment.

S.E. 25- 1-14-W3M.

In view of the fact that this quarter is being included in a community pasture, and title is vested in His Majesty the King, it is considered equitable to recommend that the liens remain registered, in view of the possibility that this land may become available for agricultural purposes at some future date.

Recommendation.

S.E. 25- 1-14-W3M.

It is accordingly recommended that the Secretary, Land Utilization Board, Regina, be advised that the liens should remain registered against the title, as it stands in the Name of His Majesty the King.

All of which is respectfully submitted.

Your reference "Basket".

I have received your letter of October 2nd, asking for an up-to-date statement in connection with this property.

Our records do not indicate that there is any outstanding seed grain indebtedness and I am not able to determine just what information you may desire. The land was patented to Teofilo Piemonte on the 7th of June, 1919 and Mr. Piemonte's indebtedness was paid in full on the 24th of October, 1919. A discharge was forwarded to the Registrar at Edmonton on the 31st of October of the same year.

If I can furnish any other information, I will be glad to do so. Yours very truly,

Re: NW 1-66-15-4.
Your file 3243965.

We have to acknowledge with thanks receipt of your letter of the 7th instant. Since writing you under date of the 2nd instant a search letter has been received which shows title to the above land to be subject to a Crown Lien in the amount of $25.00 registered on July 21, 1919 as No. 2751 S.R. It may be that this was the lien registered in respect of Teofilo Piemonte's advances and that the discharge which you forwarded to the registrar on October 31, 1919 in some way went astray.

Your further advice in this connection would be appreciated.

Yours very truly,

We have been advised by Mr. Wm. Hewlett, Chief Collector, Dept. of Municipal Affairs at Edmonton that the above quarter section is encumbered by a Federal Government lien in the amount of $25.00 given by one Teofilo Piemonte.

Dear Sir:

Re: NW 1-66-15 W4th Ler.

We have to acknowledge with thanks a copy of your letter of the 26th instant addressed to the Registrar, Land Titles Office, Edmonton, authorizing the release of the lien for $25.00 given by Teofilo Piemonte from the title to the above land. The information has been passed on to the interested parties.

There is one point which we would respectfully draw to your attention regarding discharges such as these. The Registrar was instructed to remove the lien from the NW 1-66-15-4 but no mention was made of removing the lien from the General Register or from the titles to other lands which may have become encumbered in the interim. It is therefore suggested, for that it may be worth, that in the future the words "and all records in your office" or other words of similar effect be included in the instructions when it is intended that the lien be fully discharged.

The letter written by Mr. Hewlett as Secretary-Treasurer of the Seed Grain and Relief Adjustment Board under date of the 22nd ultimo regarding the discharge of Dominion liens covers the same point in respect of discharge of liens where the prepared form is used and it is felt that something along the lines suggested in the previous letter and this letter will remove the difficulty which the Registrars, Land Titles Offices at Edmonton and Calgary have been experiencing.

OTTAWA, 4th August, 1928.

Sir,-

N.W.¼ of Sec. 35 Tp. 60 Rge. 11 West 4th Mer.

Referring to your application for the privilege of taking up a second homestead, I beg to inform you that during the recent session of Parliament an amendment to the Dominion Lands Act was passed granting those settlers, who had obtained patent, or who had become entitled thereto on or before the 1st January, 1925, the right to make a second homestead entry on the usual homesteading terms.

Therefore, if you are the person who obtained patent for the quarter section above described, and provided this is the only land for which you have obtained homestead patent, you are entitled to another homestead, and the presentation and surrender of this letter to any Agent or Sub-Agent of Dominion Lands will be his authority for granting you homestead entry for any vacant and available quarter section of Dominion Lands on the usual terms, provided he is aware of no reason to the contrary.

I may further inform you that the holder of an unpatented pre-emption or purchased homestead entry will not be permitted to abandon the same in his own favour or in favour of a relative for the purpose of making entry for the land as a second homestead.

If you are indebted to this Department for seed grain or relief, the land taken under the authority of this letter will be subject to such indebtedness.

MEMORANDUM Mr. Perrin.

N.E. 3-61-11-W.4th.Mer.
Homestead - Edward E. Sarette.

Mr. Edward E. Sarette made entry before the Sub-Agent at Ashmont on the 24th August last for the above described land as a second homestead.

When the application was received in the Agent's office Mr. Sarette's attention was drawn to the necessity of completing Form 301 assuming the seed grain liability outstanding against this quarter section which the Sub-Agent failed to have him complete.

This form was completed by Mr. Sarette who also paid $15.00 at the time of filing, being one-quarter of the indebtedness, which was the practice previously adopted by the Department. When the application was received here it was noted that Mr. Sarette was not called upon to execute the usual document now required in order that an adjustment or apportionment of any seed grain indebtedness might be given consideration.

A reply has been received from the Agent wherein he states that he is unaware of any other form than 301, which is being used in connection with cases where there is seed grain indebtedness outstanding and if there is any other form issued he would be glad to be furnished with a supply of these with instructions as to how these forms should be used. He further states that he was under the impression that a new issue of Form 301 was contemplated and he was advised some time ago that he would be furnished with a supply but these have not yet reached his Office.

It is noted that some of the Agents are changing Form 301 by inserting an extra paragraph regarding an adjustment of the outstanding indebtedness, whereas other Agents are using a mimeograph form wherein the entrant states that he will pay the difference between the value of the improvements and the seed grain or other improvements and if an adjustment or apportionment has been made by the Seed Grain Board which exceeds the value of the improvements that same will be paid within sixty days after being notified.

In order that a uniform practice may be adopted by each of the Agents in accepting forms in connection with cases where there is seed grain indebtedness outstanding I am submitting this case for a decision in this regard.

MEMORANDUM:

26th October, 1928.

In a letter dated the 15th instant the Agent of Dominion Lands at Edmonton, Alberta, draws attention to the fact that he had been advised some time ago that a new issue of form No. 301 was contemplated, but that up to date he has not been furnished with a supply of the new form.

To my memorandum dated the 4th of May last I attached a copy of an amended form of #301 and 301 S.E., the changes suggested therein being made necessary by the change in the regulations in connection with granting entries for lands charged with seed grain indebtedness. The proposed form was submitted for Mr. Daly's consideration in accordance with instructions received from you.

On the 11th of July last I again drew your attention to this matter and pointed out that it seemed that the amended form should be placed in the hands of the Agents without delay.

Up to date I have received no advice as to whether or not the proposed form is satisfactory, and in view of the letter from the Agent above referred to I again draw your attention to the matter. Further details in Mr. Stevenson's memorandum hereunder.

Respectfully submitted,

J.W. Martin, Esq.,

DOMINION LANDS ADMINISTRATION

21st November, 1928.

CIRCULAR:

To all Agents of Dominion Lands
Copies to all Sub-Agents
.....

Granting of entry where Seed Grain, Fodder or Relief indebtedness is charged against the land.
.....

In a circular letter dated the 4th of May, 1928, you were notified that certain changes had been made in the secbnd paragraph of sub-clause (c) under the heading of "Payment for Improvements", page 20, Summary of Regulations No. 19. One of the changes referred to was that in all future transactions in connection with the assumption by a new entrant of the former entrant's seed grain and relief indebtedness the rate of interest charged was to be seven per cent. Another change was that the new entrant should be called upon to undertake that if he defaulted in making payments as prescribed his entry should be liable to cancellation in the discretion of the Minister of the Interior.

I am now to inform you that it has been decided that six per cent shall be charged on regular payments and seven per cent only when payments become overdue.

It has also been decided that no clause is to be inserted in the agreement providing for the cancellation of the entry for the non-payment of the indebtedness.

These new instructions will apply in connection with applications for grazing leases for land against which there is fodder and relief indebtedness.

The amended regulations will appear in the Summary of Regulations #20, a supply of which will be forwarded to you in the course of the next ew weeks.

Kindly amend the memorandum to be attached Posting Notices in order to conform with the foregoing instructions.

The changes in question will necessitate a

revision

revision of Forms #301 and #301 S.E., and steps will be taken to have you supplied with the amended forms at as early a date as possible.

In the meantime in order to insure uniformity in practice you will insert the following paragraph before the words "In witness whereof":-

"The party of the first part further undertakes, covenants, promises and agrees that if, after an adjustment or apportionment has been made on the basis of an investigation and report by the Seed Grain Adjustment Board, the amount of the indebtedness charged against the above land exceeds the amount paid by the party of the first part for improvements thereon, the said party of the first part will, within sixty days after being notified to that effect, pay in cash to the Agent of Dominion Lands for the district one-quarter of the difference between the sum already paid by him for improvements on the said land and the amount assessed against such land by such apportionment or adjustment; and that he will thereafter pay the remainder of such difference in three equal annual instalments with interest at 6% per annum computed from the date of the entry obtained by the party of the first part for the above described land. Seven per cent will be charged in connection with any overdue payments.

M E M O.

To be attached to Posting Notice where there is Seed Grain, Fodder or Relief Indebtedness charged against the land.

When applying for entry the applicant must pay the full value of any improvements on the land, but he will not at that time be required to pay any portion of the seed grain, fodder or relief indebtedness; He, however, must execute an undertaking in writing as follows:-

1. That if the seed grain or other indebtedness of the former holder of the land, after adjustment or apportionment of the amount of such indebtedness charged against the land, still exceeds the value of the improvements, he will within sixty days after being notified to that effect pay in cash to the Agent of Dominion Lands for the district one-quarter of the difference between the value of the improvements and the amount assessed by such apportionment or adjustment.

2. That he will thereafter pay the remainder of such indebtedness in three equal annual instalments with interest at six per cent per annum, computed from the date of entry, and interest payable upon any such instalment when the payment thereof is overdue shall be at the rate of seven per cent per annum.

APPLICATION FOR GRAZING LEASE:- If the applicant desires a 21-year lease with a one-year cancellation clause, it will not be necessary for him to assume the Seed Grain, Fodder or Relief Indebtedness. If he desires a lease without the one-year cancellation clause, he must execute an undertaking the same as in the case of an application for homestead entry, as above set out.

Re: Account of M. T. Metcalfe
N.E.¼ 3-61-11-W.4th

The matter of an application for an adjustment of indebtedness outstanding against the above mentioned party is referred to you, constituted as a Board to deal with such cases. Having completed an investigation I am now in a position to report as follows:-

In 1917 seed grain amounting to $36.00 was advanced to M. T. Metcalfe on the security of the above mentioned land. A payment of $15.00 was received in 1928 and applied to the interest. The present standing of this account is:-

Principal	Interest	Total
$36.00	$55.46	$91.46

The N.E.¼ 3-61-11-W.4th was formerly the homestead entry of the debtor whose entry was cancelled on the 31st of August, 1923. The land was later re-entered upon by a Mr. Raoul Pardis to whom patent was issued in 1943, and there is no record of the lien ever having been registered against the land.

According to an Abstract of Title dated the 31st of January, 1956, this quarter-section of land now stands in the name of Denis Paradis of Ashmont, Alberta, clear of any encumbrance.

As the lien is not registered against the land and there is no further security for our advance, it is recommended that the balance of the indebtedness be cancelled.

Sir:- RE SEED GRAIN

In reply to enquiry regarding seed grain, I have to imform you that it is hoped that settlers will be able to provide themselves with seed this year without looking to the Dominion Government for help. The prosecution of this war has imposed, with its very heavy expenditures and vast amount of work, a heavy burden on the Federal Government, which calls for the greatest possible cooperation on the part of all residents of Canada. Under the circumstances this Department will grant assistance only to destitute homesteaders, and furnish seed grain under the following conditions:-

1. Applicant must be a homesteader on unpatented land, and in destitute circumstances, or who has lost his crop lastyear by some calamity, and whose land would have to go unseeded but for the aid of this Department.

2. Only sufficient seed will be allowed for the acreage already under cultivation, and not more than 150 bushels of grain to any person.

3. All applications, before receiving any consideration from this office, will have to be certified to by the Dominion Lands Agent, in whose district the land is situated. This certificate to show that the land described was fyled upon by the applicant, is in good standing and patent not issued.

4. Provided seed grain can be purchased locally by applicants, it is not the intention of this Department to ship any seed from outside points. Applicants should give name and address of the party, or parties from whom the seed they require can be purchased, and state the price per bushel, the Department to pay for the seed after the liens and all papers are properly completed and approved.

5. If the applicant receives favourable consideration, an official order will be issued from this office, accompanied by liens. The party to whom this order is made out, will supply to the settler the amount of seed stated thereon, after the lien has been signed and completed by the applicant and a receipt given for the grain so received. Any changes made in the papers cancels same. The party supplying the seed will attach his account in triplicate also the order and the receipt for the grain, together with executed liens in duplicate, and send same immediately to this office. After all papers so received are found to be properly completed, a departmental cheque will be issued to cover the advance.

6. This Department will not be responsible for purchase of seed grain unless an official order is issued.

7. All settlers on patented land must apply to the Secretary-Treasurer of their Municipality.

8. Any applicant securing seed grain from this Department through any misrepresentation will be severely delt with.

Enclosed please find application blank.

Re: Account of Ferdinand Schmidt,
S.E.¼ 1-25-4-W4.

Dear Sir:

During the years 1918, 1919 and 1920 while homesteading the above mentioned land, Mr. Ferdinand Schmidt received seed grain as a loan from the Government of Canada. The loan was secured by a lien on the title of the land of which we understand you are now the registered owner. No doubt you will be interested in settling the debt and having the title of your land cleared. The amount outstanding is $1,352.07 of which $393.00 if principal and $959.07 is interest.

The Seed Grain Advisory Board was set up by the Government of Canada some years ago to investigate seed grain, fodder and relief accounts and in cases where the amount of the indebtedness is large compared to the value of the land or other circumstances exist, to recommend a reduction of the debt.

You may feel that there are extenuating circumstances in your case. If so, you should write to the undersigned giving full details which will be presented to the Seed Grain Advisory Board for consideration. The Board will then review the account and you will be advised of the minimum settlement required to pay off the liens.

Yours very truly,

C.K. LeCapelain,
Chief, Lands Division.

Re: Account of Ferdinand Schmidt
E½ 1-25-4-4

The matter of an application for an adjustment of indebtedness outstanding against the above mentioned party is referred to you, constituted as a Board to deal with such cases. Having completed an investigation I am now in a position to report as follows:-

In 1918, 1919 and 1920 seed grain amounting to $393.00 was advanced to Ferdinand Schmidt on the security of the above mentioned land. No payment has ever been received and the present standing of this account is:-

Principal	Interest	Total
$393.00	$959.07	$1,352.07

Patent was issued in the name of Ferdinand Schmidt for the S.E.¼ 1-25-4-4 on the 9th of June 1920, subject to the liens. The N.E.¼ 1-25-4-4 was formerly the pre-emption entry of the debtor whose entry was cancelled on the 1st of March 1927, and the land is still unalienated Crown land held in the right of the Province.

This half-section of land is of very low assessed value and has never been revenue producing sufficiently to enable the repayment of the liens. The land situated in a drought area of the Province designated as Special Areas where due to drought farming has not been carried on successfully and most of the land is more suitable for grazing purposes.

In reply to our questionnaire of the 30th of October 1951, Mr. J. Thomson, Local Improvment District No. 300, Special Areas, Department of Municipal Affairs, Edmonton, Alberta, advised that the S.E.¼ 1-25-4-4 was assessed in the name of F. Schmidt of Acadia Valley, Alberta; while the S.W.¼ 1-25-4-4 was Crown land which was now leased for grazing purposes, and that the land had a present day value of only $330.00.

The information obtained indicates that the land is such that it no longer offers any security of value for our liens. Under the circumstances it is recommended that the indebtedness be cancelled and the liens discharged.

W.J. Taylor.

Sir,

Replying to your letter of the 15th ultimo relating to your pre-emption entry covering the N.E. of Section 1, Township 25, Range 4, West of the Fourth Meridian, I beg to say that your statement to the effect that you are not in a position to make any payment on account of your indebtedness has been noted in the departmental records.

I beg to acknowledge receipt of your communication of the 30th ultimo to the effect that you abandoned your preemption entry for the above described land over a year ago, but that you desire to know how you can secure a grazing lease on this land.

In reply I am to inform you that you did execute a declaration of abandonment for this land on the 20th January, 1926, but before any action was taken on your abandonment you communicated with the Agent of Dominion Lands at Calgary on the 13th February, 1926, to the effect that you regretted having abandoned your entry as you still desired to hold the land. In view of this information you were advised in Departmental letter of the 5th March last that no action would be taken on your declaration of abandonment and you were requested to advise the Department within thirty days from that date as to when you expected to be able to make payment on account of the purchase price of the land.

As it would appear now that you do not wish to retain your entry for this quarter-section you should forward here your Certificate of Recommendation, No. 16907, within the next thirty days, and on receipt of this document your abandonment will then be accepted and your entry cancelled. The land of course will have to be posted for settlement, but this action would not prevent you from applying for a grazing lease. No assurance, however, can be given you that you would be granted a lease of the land as the same would become available to the first eligible applicant.

Application for ~~grazing~~ lease cannot be accepted until the fourth day.

Any person who is desirous of making entry must visit the land personally before making his application, and satisfy himself that there is no one in residence, as he will require to swear when making application for entry that the land is unoccupied. The intending applicant should, at the same time, carefully examine and estimate the value of the improvements, if any.

The application for entry may be made either at this office or at the office of the Sub-Agent of Dominion Lands in whose district the land is situated.

Application for entry by proxy is permitted in the case of a person making application on behalf of father, mother, brother, sister, son, daughter or husband, when authorized to do so in the form prescribed. In such a case the proxy will require to APPEAR PERSONALLY AT THE OFFICE OF THE LOCAL AGENT (NOT SUB-AGENT).

No fee is charged in connection with a soldier grant.

The entry fee if taken as a homestead will be $10.00. According to evidence on file in this office there are improvements upon the land stated to be worth $ 310.

PAYMENT FOR IMPROVEMENTS

Before a person is granted entry for a homestead or a Soldier Grant, he *shall declare what improvements*, if any, there are upon the land for which he applies, *and pay* to the Agent or Sub-Agent the *full amount of his valuation* of such improvements. Should he fail to make such declaration his entry shall be liable to cancellation.

In the event of uncertainty as to the correctness of the entrant's valuation, or if the value of the improvements is placed at over $25.00, the Agent shall cause such improvements to be examined and valued by a Homestead Inspector. If a surplus has been paid, the excess amount may be refunded. If insufficient has been paid the entrant must at once pay the difference, otherwise his entry may be cancelled.

PAYMENT OF INDEBTEDNESS CHARGED AGAINST THE LAND

The following indebtedness is charged against this land: $ 445. 50 & int. If the amount collected for improvements is not sufficient to make up this indebtedness, the applicant for entry is required to pay or assume the full amount of indebtedness (for particulars enquire at office of Agent).

Re: Account of Ferdinand Schmidt,
S.E.¼ 1-25-4-W4.

Dear Sir:

During the years 1918, 1919 and 1920 while homesteading the above mentioned land, Mr. Ferdinand Schmidt received seed grain as a loan from the Government of Canada. The loan was secured by a lien on the title of the land of which we understand you are now the registered owner. No doubt you will be interested in settling the debt and having the title of your land cleared. The amount outstandin is $1,352.07 of which $393.00 if principal and $959.07 is interest.

The Seed Grain Advisory Board was set up by the Government of Canada some years ago to investigate seed grain, fodder and relief accounts and in cases where the amount of the indebtedness is large compared to the value of the land or other circumstances exist, to recommend a reduction of the debt.

You may feel that there are extenuating circumstances in your case. If so, you should write to the undersigned giving full details which will be presented to the Seed Grain Advisory Board for consideration. The Board will then review the account and you will be advised of the minimum settlement required to pay off the liens.

Yours very truly,

C.K. LeCapelain,
Chief, Lands Division.

Re: Account of Ferdinand Schmidt
E½ 1-25-4-4

The matter of an application for an adjustment of indebtedness outstanding against the above mentioned party is referred to you, constituted as a Board to deal with such cases. Having completed an investigation I am now in a position to report as follows:-

In 1918, 1919 and 1920 seed grain amounting to $393.00 was advanced to Ferdinand Schmidt on the security of the above mentioned land. No payment has ever been received and the present standing of this account is:-

Principal	Interest	Total
$393.00	$959.07	$1,352.07

Patent was issued in the name of Ferdinand Schmidt for the S.E.¼ 1-25-4-4 on the 9th of June 1920, subject to the liens. The N.E.¼ 1-25-4-4 was formerly the pre-emption entry of the debtor whose entry was cancelled on the 1st of March 1927, and the land is still unalienated Crown land held in the right of the Province.

This half-section of land is of very low assessed value and has never been revenue producing sufficiently to enable the repayment of the liens. The land situated in a drought area of the Province designated as Special Areas where due to drought farming has not been carried on successfully and most of the land is more suitable for grazing purposes.

In reply to our questionnaire of the 30th of October 1951, Mr. J. Thomson, Local Improvement District No. 300, Special Areas, Department of Municipal Affairs, Edmonton, Alberta, advised that the S.E.¼ 1-25-4-4 was assessed in the name of F. Schmidt of Acadia Valley, Alberta; while the S.W.¼ 1-25-4-4 was Crown land which was now leased for grazing purposes, and that the land had a present day value of only $330.00.

The information obtained indicates that the land is such that it no longer offers any security of value for our liens. Under the circumstances it is recommended that the indebtedness be cancelled and the liens discharged.

N.E.¼ 14-56-8-W. 4th Mer.,
Homestead - Wm. John Chester,
13th September, 1924.

Entry was granted Mr. Wm. John Chester by the Sub-Agent at St. Paul de Metis on the 13th September, 1924.

At the time entry was granted, Mr. Chester was not called upon to furnish Form # 301, assuming the seed grain indebtedness against this land.

The Agent of Dominion Lands at Edmonton since that date has repeatedly requested Mr. Chester to furnish this document, but to date it would appear that he has not complied with the Agent's instructions and the Agent requests to be advised what further action should be taken in this connection.

Since Mr. Chester was granted entry, the former entrant, Mr. J. Apperson, who incurred the seed grain indebtedness against this quarter-section, was granted entry on the S.E. 16-38-8-W.5th Mer., and the necessary action has been taken by Seed Grain Branch to transfer the seed grain indebtedness to his new entry and it would, therefore, appear that Form 301 is not now required from Mr. Chester, but in view of the fact that he has held entry since September, 1924, and does not appear to be in residence on the land, I would suggest that the Agent be instructed to have a Homestead Inspector furnish a report the first time he is in the vicinity of this land stating whether Mr. Chester is in residence, or endeavor to secure information as to where Mr. Chester is residing.

Upon receipt of the Homestead Inspector's report the Agent might be further advised regarding the action to be taken in connection with Mr. Chester's entry.

MEMORANDUM:

Re - N.E.¼ 14-56-8-W.4th M.,
Homestead - William John Chester.

Please see Mr. Stevenson's memorandum of the 4th instant, the 23rd ultimo; covered by Mr. Hume's memorandum of the 4th instant, on File #3372847, herewith.

The former entrant, Mr. J. Apperson, obtained an advance of seed grain from the Department in the year 1921 for the sum of $60.00, on the security of the quarter section above noted.

Cancellation of his entry was carried out default and Mr. Chester, the applicant for inspection was granted try without being called upon to assume the outstanding btedness in this regard. Repeated efforts have been made to Mr. Chester assume responsibility for payment of the lien but he present date he has failed to do so.

The thirty day notice to Mr. Chester, m prior right of entry, makes no reference to any seed ier indebtedness, and had the regulations been adhered cord, the agent would have required him to have made part account at time of entry and assumed responsibility be ome balance, but having failed to do so, and in ac- practice, it would seem the present entrant should ent of the lien, but should the entry at any time has been en would automatically become a charge against Township

In the meantime, Mr. Apperson, the lienor, for the South East quarter of Section 16, of the 5th Meridian, which is a fairly

good quarter section according to the Inspector's report, and he, of course, will be held responsible for payment of the account.

If you approve that Mr. Chester be relieved of payment of the lien, and will return the papers action will be taken accordingly and the necessary action taken to have the lien recorded in the books of the Agent against Mr. Apperson's present homestead.

Your reference - 197641.

I beg to acknowledge receipt of your letter of the 28th November last wherein you request to be advised what further action is to be taken regarding Form No.301 to be completed by Mr. Chester in connection with the homestead entry granted him for the above described land on the 13th September, 1924.

In reply I beg to inform you that after careful consideration it has been decided, in view of the fact that the former entrant on this land, Mr. J. Apperson, has secured entry on the S.E.¼ 16-38-8-W.5th Mer., and this indebtedness has become a charge against his new entry, to relieve Mr. Chester of the payment of this lien.

This action has been decided upon in view of the fact that the thirty day notice to Mr. Chester granting him prior right of entry makes no reference to any seed grain or relief indebtedness and had the regulations been adhered to in this case he would have been called upon to have made part payment of the account at time of entry and assumed responsibility for payment of the balance, but having failed to do so, in accordance with the practice it appears that he would be relieved of the payment of the lien, but should the entry at any time be cancelled, this lien would automatically become a charge against the land.

You might have the necessary action taken to have this lien recorded in your books against the entry of Mr. Apperson on the S.E.¼ 16-38-8-W.6th Meridian.

I beg to acknowledge receipt of your declaration of abandonment for your homestead entry, the above described land, on the grounds that there is an old Seed Grain lien against the land.

In reply I am to inform you that in view of the fact that you were allowed thirty days within which to make entry for this quarter-section and the notice to you did not make mention of the Seed Grain indebtedness outstanding outstanding against the land, it has been decided to relieve you of the payment of this lien.

Under the circumstances you may desire to retain your entry for the land, and a period of thirty days from this date is allowed you within which to communicate with the Department and withdraw your abandonment should you so desire. If nothing is heard from you within the time specified it will be assumed that you wish to have your abandonment accepted and action will then be taken on the same and your entry cancelled and the usual letter of authority will be forwarded to you to make fresh entry.

EDMONTON.

Dear Sir,-

Re: Jay Apperson, S.E.¼- 16-38-8-W.5.
N.E.¼- 14-56-8-4. Dominion Lien.

On April 29th, 1921, Jay Apperson obtained a seed grain advance of $60.00 from the Department of the Interior. No has made no repayment, and with interest to December 31st, 1929, his indebtedness amounted to $96.45. At that time he held homestead entry for the N.E.¼- 14-56-8-4, but his entry was cancelled on August 30th, 1924.

The seed grain was advanced for cultivation of this quarter section only.

On June 14, 1926, Smythe Wirsta obtained entry for this quarter section as a homestead and assumed liability for the seed grain indebtedness of the former debtor. He paid $20.45 on account, and this sum is held in Suspense Account.

On February 20, 1925, Jay Apperson made entry for the S.E.¼- 16-38-8-W.5th, and his seed grain indebtedness therefore became a charge on that property.

On August 30th, 1926 his entry was cancelled. On October 16, 1929 Austin J. King made entry for this quarter section and agreed to assume liability for the seed grain indebtedness with a proviso for adjustment.

The Homestead Inspector has recently valued the S.E.¼- 16-38-8-W.5th, and has reported that it is situated near Strasbam, Alberta; that the soil is clay; that only 140 acres are fit for cultivation; that the balance of 20 acres would make good hay land; that the only improvement is a log house worth $15.00. It is stated that this log house was erected by the present entrant.

In view of the description of this property and of its low value, I am of the opinion that the new entrant should

not be required to make any payment on account of the seed grain indebtedness, as if he is required to do so he will in all probability abandon his entry.

With a view to effecting some final settlement of this account I communicated with Smythe Wirsta, the present holder of entry for the N.E.¼ 14-56-8-4, and as a result of some correspondence he has tendered $60.00 in full settlement of the seed grain lien in sofar as it affects his homestead entry.

According to a report by the Homestead Inspector the land is worth $5.00 per acre; the soil is clay loam; the improvements which have been placed upon it by the present entrant, are worth $700.00.

As the sum of $60.00, now offered by the new entrant, is sufficient to reimburse the Department of the Interior for the amount of the seed grain originally advanced to Jay Apperson, and as the payment of $20.45, also made by the present entrant on the N.E.¼ 14-56-8-4, will reimburse them for a considerable amount of the interest on the seed grain advance, I recommend that this sum be accepted in full settlement of the lien, on the N.E.¼ 14-56-8-4.

I attach hereto my cheque for $60.00 payable to the Financial Controller, Department of the Interior.

There is no likelihood of collection of any portion of the unpaid balance of this account from the original debtor. He is reported to have resided for some time in the United States, but to have left no address where he could be found.

Yours truly,

W. Lovett

Re S.E.¼. 16-38-8-W. 5th Mer.,

Jay Apperson.

The Seed Grain and Relief Adjustment Board, appointed under Order P. C. 2200, hereby recommends that the sum of $60.00, be accepted in full settlement of all liens charged against the S.E.¼. 16-38-8-W. 5th Mer., and the N.E.¼. 14-56-8-W. 4th Mer., for advances made to Jay Apperson, and that the amount of $20.45, now held in Suspense Account, being the amount paid by Dmytre Wirsta, for the improvements on one quarter section, be applied on account of said lien.

The Board submits the report of the Director, Debt Adjustment Act, dated April 23rd, 1930, which report gives full details of all liens registered against the said land and states in support of the recommendations:-

1. That the advance was made against the N.E.¼. 14-56-8-W. 4th Mer., when the debtor Jay Apperson, held homestead entry thereto.

2. That the debtor's entry to this quarter section was cancelled in the year 1924.

3. That in the year 1925, the debtor secured homestead entry for the S.E.¼. 16-38-8-W. 5th Mer., and the indebtedness was charged against the said quarter section.

4. That in the year 1926, the debtor's entry to this quarter section was also cancelled.

5. That in the year 1926, Dmytre Wirsta, secured homestead entry to the N.E.¼. 14-56-8-W. 4th Mer., and paid the sum of $20.45, which amount has been held in Suspense Account.

6. That the Officials of the Debt Adjustment Act, have been in communication with Dmytro Wirsta, the present entrant for the N.E.¼, 14-56-8-W. 4th Mer., with the result that arrangements have been made for the settlement of the liens charged against the said land, by the payment of an additional sum of $60.00.

7. That it is desirable that the proposed settlement be accepted, as the land against which the liens are charged, is of low value, while all the improvements thereon are the work of the present entrant Dmytro Wirsta, and the amount now tendered, together with the amount now held in Suspense Account, represents the full amount of the original advances, together with a substantial payment on account of interest.

8. That in the year 1926, Austin J. King, secured homestead entry for the S.E.¼, 16-38-8-W. 5th Mer.

9. That the value of this quarter section is low, and seeing that the land did not benefit in any way from the advances made to the original debtor, it is not desirable that the present entrant be handicapped by requiring him to pay any portion of the liability of the original debtor.

10. That the debtor Jay Apperson, left for the United States some time ago and all trace of him has been lost, so there is no possibility of making any collection under his personal covenant.

The Board therefore recommends that the sum of $20.45, now held in Suspense Account, be applied on account of the said liens, and that with such application, and the payment of $60.00, by Dmytro Wirsta, that all liens charged against the N.E.¼, 14-56-8-W. 4th Mer., be unconditionally discharged, and any balances remaining unpaid be written off as uncollectible.

The Board further recommends that any liens charged against the S.W.¼, 16-38-8-W. 5th Mer., for advances made to Jay Apperson, be discharged, and the total amount payable thereon be written off as uncollectible.

Dear Sir;-

Re: Jay Apperson, S.E.¼- 16-38-8-W.5.
N.E.¼- 14-56-8-4. Dominion Lien.

On April 29th, 1921, Jay Apperson obtained a seed grain advance of $60.00 from the Department of the Interior. He has made no repayment, and with interest to December 31st, 1929, his indebtedness amounted to $96.43. At that time he held homestead entry for the N.E.¼- 14-56-8-4, but his entry was cancelled on August 20th, 1924.

The seed grain was advanced for cultivation of this quarter quarter section only.

On June 14, 1926, Dmytro Wirsta obtained entry for this quarter section as a homestead and assumed liability for the seed grain indebtedness of the former debtor. He paid $20.45 on account, and this sum is held in Suspense Account.

On February 20, 1925, Jay Apperson made entry for the S.E.¼- 16-38-8-W.5th, and his seed grain indebtedness therefore became a charge on that property.

On August 30th, 1926, his entry was cancelled. On October 16, 1929 Austin J. King made entry for this quarter section and agreed to assume liability for the seed grain indebtedness with a proviso for adjustment.

The Homestead Inspector has recently valued the S.E.¼- 16-38-8-W.5th, and has reported that it is situated near Strachan, Alberta; that the soil is clay; that only 140 acres are fit for cultivation; that the balance of 20 acres would make good hay land; that the only improvement is a log house worth $15.00. It is stated that this log house was erected by the present entrant.

In view of the description of this property and of its low value, I am of the opinion that the new entrant should

not be required to make any payment on account of the seed grain indebtedness, as if he is required to do so he will in all probability abandon his entry.

With a view to effecting some final settlement of this account I communicated with Dmytro Wirsta, the present holder of entry for the N.E.¼ 14-56-8-4, and as a result of some correspondence he has tendered $60.00 in full settlement of the seed grain lien in sofar as it affects his homestead entry.

According to a report by the Homestead Inspector the land is worth $5.00 per acre; the soil is clay loam; the improvements which have been placed upon it by the present entrant, are worth $[illegible]00.00.

As the sum of $60.00, now offered by the new entrant, is sufficient to reimburse the Department of the Interior for the amount of the seed grain originally advanced to Jay Appersen, , and as the payment of $20.45, also made by the present entrant on the N.E.¼ 14-56-8-4, will reimburse them for a considerable amount of the interest on the seed grain advance, I recommend that this sum be accepted in full settlement of the lien, on the N.E.¼ 14-56-8-4.

I attach hereto my cheque for $60.00 payable to the Financial Controller, Department of the Interior.

There is no likelihood of collection of any portion of the unpaid balance of this account from the original debtor. He is reported to have resided for some time in the United States, but to have left no address where he could be found.

Yours truly,

W. Lorch

Director.

The NE 32-18-2-4 was the debtor's patented land title to which was eventually taken by the taxing authorities for non-payment of taxes while the NE 32-18-2-4 was the debtor's pre-emption entry which was later cancelled. advantageously under the prevailing climatic conditions and only a nominal sum is received in the way of rentals insufficient to provide for any recovery on the above advances.

As there is now no possibility of obtaining repayment under the personal covenant and as no security of value remains, I would recommend that the balance outstanding be written off and the liens discharged.

Provincial seed grain advances of one thousand, three hundred and forty dollars and fifty-eight cents ($1340.58) have already been cancelled.

Re: Account of Jas. McDiarmaid,
N.W.¼ 36-53-8-W5.

Dear Sir:

During the year 1915 while homesteading the above mentioned land, Mr. Jas. McDiarmaid received seed grain as a loan from the Government of Canada. The loan was secured by a lien on the title of the land of which we understand you are now the registered owner. No doubt you will be interested in settling the debt and having the title of your land cleared. The amount outstanding is $163.18 of which $53.55 is principal and $109.63 is interest.

The Seed Grain Advisory Board was set up by the Government of Canada some years ago to investigate seed grain, fodder and relief accounts and in cases where the amount of the indebtedness is large compared to the value of the land or other circumstances exist, to recommend a reduction of the debt.

You may feel that there are extenuating circumstances in your case. If so, you should write to the undersigned giving full details which will be presented to the Seed Grain Advisory Board for consideration. The Board will then review the account and you will be advised of the minimum settlement required to pay off the lien.

Yours very truly,

Re: Account of Jas. McDiarmaid
N.W.¼ 36-53-8-W.5th

In a letter dated the 9th of February, 1956, you were advised that there was an outstanding account charged against the above mentioned land which stands in your name for seed grain which was advanced to Mr. Jas. McDiarmaid by the Federal Government in the year 1915. The amount outstanding is $163.18 of which $53.55 is principal and $109.63 is interest.

Our records indicate that no answer has been received from you to date. This may mean that our previous letter has gone astray, or that because of unforeseen circumstances you have been unable to reply. As we stated in our previous letter the Seed Grain Advisory Board was set up by the Government of Canada some years ago to investigate seed grain, fodder and relief accounts and, in cases where the amount of the indebtedness is large compared to the value of the land, or other circumstances exist, to recommend a reduction the debt.

You may feel that there are extenuating circumstances in your case. If so, you should write to the undersigned giving full details which will be presented to the Seed Grain Advisory Board for consideration. The Seed Grain and Relief Adjustment Board appointed under Order P.C. 1752, dated November 23rd, 1955, having taken under consideration the attached report of the Chief Collector of the Collection Branch, Department of Municipal Affairs numbered 11,332, APPROVES the settlement outlined therein and DOES HEREBY RECOMMEND:

1. THAT, the Minister apportion and adjust the indebtedness more particularly described in the attached report, so that on application of the sum of One Hundred and Twenty-Five dollars and Eighty cents ($125.80) to the credit of the Dominion Advances, the debt will be paid.

Dear Sir:

Re: N.W.¼ 36-53-6-W. 5th Meridian,
James McDiarmid,
Dominion Advances.

The above named party obtained advances for which a Lien has been registered against the Title:

Seed Grain, 1915	$ 53.55
Interest to 31/3/56	109.63
Total	$163.18.

The debtor was killed in action in the First World War and this property was transferred to his mother. She died later and her Estate was administered by another son, Alexander G. McDiarmid.

Arrears of taxes accumulated until the Municipal District of Pembina, #94, acquired the Title through Tax Recovery Act proceedings. In the year 1950 the Municipal District sold this parcel for the sum of Five Hundred ($500.00) dollars cash and at that time the Dominion Advances account was outstanding in the amount of One Hundred and Forty-Seven dollars and Seventy cents ($147.70) and arrears of taxes were Four Hundred and Thirty-Three dollars and Forty-Eight cents ($433.48). After allowing a nominal sum of Five ($5.00) dollars to cover transfer costs, the pro-rata distribution of the sale proceeds was calculated as follows:

(Con't on Page 2)

Costs		$ 5.00
Dominion Advances	$147.70	125.80
Tax arrears	433.48	369.20
Total		$500.00

The Secretary-Treasurer of the district was advised accordingly and requested to remit the sum of One Hundred and Twenty-Five dollars and Eighty cents ($125.80) to this office. Payment was not remitted and this case came to our attention recently.

The Municipal District of Peshina, #%, ceased to exist as of December 31st, 1955, and this area reverted to Improvement District #78, and upon investigation no reason could be established for non-remittance by the Municipal District of the pro-rata share of the sale proceeds in 1950. This matter was referred to the adjuster of the affairs of the former Municipal District and a payment of One Hundred and Twenty-Five dollars and Eighty cents ($125.80) has been received.

I would, therefore, recommend that the payment of One Hundred and Twenty-Five dollars and Eighty cents ($125.80) be applied as a full compromise settlement of the account and that same be adjusted accordingly and the Lien be released from the Title.

There is no other security for the account and the settlement as outlined and recommended above is in accordance with the established policy of this Board.

Yours very truly,

S. Cherkas

Entry of Andrew Stockman

Date of entry ... 19th July, 1915.

I beg to call your attention to the fact that ~~this entry is~~ these entries are now over five years old. Please take ordinary cancellation proceedings at once on Form 334 on the ground of failure to apply for patent.

Form 333 and the leaflet entitled "Applications for Patent by Persons who are Debarred by Law from Securing Naturalization" should accompany your notice to the entrant on Form 334.

If the entrant files a defence or an application for patent, the same should be referred to Head Office, together with any evidence submitted by the applicant regarding naturalization or application made by him for a Certificate in Form K.

On the expiry of 60 days from the date of your notice, if the entrant has not been heard from, an Inspector's report should be ordered.

The Inspector should give full information as to the nature of the land, using the blanks provided in the form of report for that purpose. The fullest possible information should be given in regard to duties and improvements. In case of a pre-emption it will be necessary to report on the appurtenant homestead as well.

The Inspector should make careful enquiry to find out whether the entrant may possibly be in military service or may be a returned soldier.

If there is some special condition existing which would render it advisable not to dispose of the land in the ordinary way, the report should contain full particulars.

When you receive the Inspector's report you should forward it at once to Head Office for consideration.

A copy of any letter or form issued by you in this case should be forwarded to Head Office in the usual way.

Your obedient servant,

Assistant Secretary.

Important:

Your attention is called to the fact that during the years of crop failure the Department has been very lenient in granting extensions of time to those who were unable to make payments of amounts due in connection with entries to which purchase conditions are attached. As there has been a bountiful harvest in the Prairie Provinces this year, the Department will expect those who are able to do so to liquidate their indebtedness promptly. Further protection will not be granted unless the inspection which will follow this notice shows that circumstances are such that payment is impossible.

Dear Sir

I received your account from my land No. 1630-2 S-N.W. 21-15-3-4.

I would have payed you a long time ago. But the grain has not grown many years. Last year 1922 I sowed some wheat in the west half 50 acres, but I got hailed out and then I thashed 38 buskels. so I can not get my seed back. I do not think that is a good crop in our district. Then you can see that I can not make my living on the land, where can I get the money to pay you for my land. If we are going to have dry years much longer I can not pay you for the land.

Yours faithfully
Andrew Stockman

Dear Sirs,-

Received your letter of April 25, in which you state that I am compelled to prove up within 60 days. I have completed my res. duties but it is impossible for me to apply for patent on account of financial conditions. It would cost $50 or $60 at least and it is impossible for me to do it. Now I will ask the Government for an extension of time for 1 year more. I have done my best but crop failures has kept me down, so if they will give me one year more of time I will do all in my power to prove it up. Please let me hear from you at once.

the sole and Swing's entry to the SW of 22-3-12-W4th was cancelled.

The debtor has, for the past 10 or 15 years, been farming one piece of land after another but as he has never moved out of the semi-arid district he has not met with any success, consequently neither his personal covenant or the chattel security given as collateral for the Joint Relief advances are of any value. The chattels being old and depreciated.

All these quarter sections involved are now under the administration of the Department of Lands and Mines and, in common with other Provincial lands situated in the dry areas, is leased for grazing purposes at a nominal rental to one of the few remaining settlers in the district.

There seems little possibility of the revenue from these lands will ever be sufficient to allow any payment to these liens and under the circumstances, I would recommend that the same be released and the account written off under the provisions of the Tax Consolidation Act 1927 and amendments.

Your file No. 3475090

I am in receipt of your letter of the 6th instant, and in reply would advise that the above quarter section, which is located outside of the homestead lease area, is held under Grazing Permit by J. D. Atwood, of Lucky Strike, Alberta. Mr. Atwood has prior of renewal when his permit expires on March 31st, 1953.

This quarter section contains 160 acres, and according to an Inspector's report on file, the land is best suited to grazing. Sixty acres are arable. The soil is light clay loam, with a clay sub soil. The land is rolling and is cut with a coulee. There are also rocks. It is not likely that the land will be used for farming.

Re: Account of Thomas Ewing
S.W. 32-3-12-W4

The matter of an application for an adjustment of indebtedness outstanding against the above mentioned party is referred to you, constituted as a Board to deal with such cases. Having completed an investigation I am now in a position to report as follows:

In 1919, 1920, 1921 and 1922 seed grain amounting to $649.15 was advanced to Thomas Ewing on the security of the above mentioned land. A payment of $35.00 was received in 1927 and applied to the interest. The present standing of this account is:

Principal	Interest	Total
$ 649.15	$ 1,409.71	$ 2,058.86

The S.W. 32-3-12-W4 was formerly the homestead entry of the debtor whose entry was cancelled on the 11th of October 1923 and is still Crown land held in the right of the Province.

In reply to our questionaire of the 6th of June 1952, E.P. Shaver, Acting Director of Lands, Department of Lands and Forests, Province of Alberta, wrote as follows:

"I am in receipt of your letter of the 6th instant, and in reply would advise that the above quarter section, which is located outside of the homestead lease area, is held under Grazing Permit by J.D. Atwood, of Lucky Strike, Alberta. Mr. Atwood has prior of renewal when his permit expires on March 31st, 1953.

This quarter section contains 160 acres, and according to an Inspector's report on file, the land is best suited to grazing. Sixty acres are arable. The soil is light clay loam, with a clay sub soil. The land is rolling and is cut with a coulee. There are also rocks. It is not likely that the land will be used for farming."

The information obtained indicates that the land is unsuitable for farming purposes and no longer offers any security of value for our advances. Under the circumstances it is recommended that the indebtedness be cancelled.

Dear Sir:

re: Your file B 88743 - S.E. 16-10-17 W4
Herbert VanKley

The above party is a customer of this Bank and his affairs are badly involved and he is trying to arrange a compromise settlement of his debts. He has asked us to enquire as to whether if he can arrange to obtain some financial assistance through relatives, the Department would be willing to accept, say, $50 in cash in full settlement of the amount owing by him by way of seed grain, feed and relief on the above quarter-section of land.

We would be glad if you would look into this matter and let us have a reply on his behalf at as early a date as possible.

Yours truly,

RECEIVED
MAY 18 1934

Re Those Portions of the S.½ & N.W.¼ 9-10-17 W.4th lying North of Belly River, containing 276.25 acres.

Sir:-

I am in receipt of yours of the 4th instant, advising that liens for $126.00, $124.77 and $50.00 appear registered against title to the above described land. According to our records, those liens were given in favour of this Department in 1915 by George W. Johnson, to whom patent had issued for that part of the S.W.¼ 9-10-17 W.4th lying South of the right bank of the Belly River. If the liense subsequently acquired an interest in those portions quoted by you, theliens autoratically become a correct charge against the same, but if he did not, and the present owners are in a position to forward a statutory declaration that the liense never held an interest in the said lands, the Department is prepared to consider the removal of the registrations.

You also mention a lien for $84.15 given by Herbert VanKley in favour of the Crown in 1915. This lien is also outstanding, with interest at 5% from the 14th March, 1915, and was given on the specific security of the S.E.¼ 16-10-17 W.4th. If, as in the former case, Herbert VanKley has since acquired an interest in the lands quoted by you, then this lien is a correct charge against the same, and if not, the Department will give consideration to removal on receipt of a statutory declaration to that effect.

Your obedient servant,

J. Lorne Turner.

Dear Sir:-

I am informed by Mr. Brian L. Cooke, K.C., Barrister, of Taber, Alberta, liens No.4[illegible] for $126.00 and No.1755 for $124.77 and $50.00, are registered in the name of George W. Johnson against title to that portion of the East half and North West quarter of Section 9, Township 10, Range 17, West of the 4th Meridian lying North of the Belly River. The liens in question were given by George W. Johnson, and while the land quoted is the South East quarter of Section 9-10-17 W.4th, George W. Johnson received patent only for that portion of the South East quarter of Section 9-10-17 W.4th lying South of the right bank of the Belly River. Re: Account of Herbert Van Kley,
S.E.¼ 16-10-17-W4.

Dear Sir:

During the year 1915 while homesteading the above mentioned land, Mr. Herbert Van Kley received seed grain, fodder and relief as a loan from the Government of Canada. The loan was secured by a lien on the title of the land of which we understand you are now the registered owner. No doubt you will be interested in settling the debt and having the title of your land cleared. The amount outstanding is $235.29 of which $84.15 is principal and $151.14 is interest.

The Seed Grain Advisory Board was set up by the Government of Canada some years ago to investigate seed grain, fodder and relief accounts and in cases where the amount of the indebtedness is large compared to the value of the land or other circumstances exist, to recommend a reduction of the debt.

You may feel that there are extenuating circumstances in your case. If so, you should write to the undersigned giving full details which will be presented to the Seed Grain Advisory Board for consideration. The Board will then review the account and you will be advised of the minimum settlement required to pay off the lien.

Yours very truly,

C.K. LeCapelain,
Chief, Lands Division.

Re: S.E. 16-10-17-W.4th

We are enclosing a copy of a letter received from Messrs. Prowse and Prowse, Barristers and Solicitors, Oliver Block, Lethbridge, Alberta, concerning the account of Herbert Van Kley charged against the above land.

A recent Abstract of Title shows that in addition to our liens there are also the following Agricultural Relief Liens No. 4622 E.V. to Special District No. 4, 7051 F.X. to I.D. 96 and 2295 E.V. to I.D. 66. There is also a Caveat 6758 G.R. dated the 7th of June, 1954 in the name of Ernist and Flavie Halvoet.

In view of the Province's interest in this indebtedness, it would be appreciated if you will investigate this case and advise the Solicitors as to the minimum offer required to pay off our claims.

Ottawa, February 24, 1956.

Messrs. Prowse & Prowse,
Barristers and Solicitors,
Oliver Block,
Lethbridge, Alberta.

Dear Sirs:

Re: S.E. 16-10-17-W.4th

We wish to thank you for your letter of the 14th of February, 1956 informing us of the extenuating circumstances which you believe warrant a reduction in the account of Herbert Van Kley charged against the above land.

A recent Abstract of Title shows that in addition to our liens there are also certain Agricultural Relief Liens registered against this land. As your client will probably wish to have these liens included in any settlement that is proposed, we are writing to the Provincial authorities concerning them.

We expect that Mr. S. Cherkas, Chief Collector, Department of Municipal Affairs, Edmonton, Alberta, will be writing to you further concerning this matter within the next few days.

Yours very truly,

C. K. LeCapelain,
Chief, Lands Division.

" I beg to report that the above

Dear Sir:-

Re Hudson's Bay Co. and R.S.Beattie
E½ 8-9-10 W.4th.

This is another case where the Hudson's Bay Company, having sold this land, has had to take it back, and on obtaining an abstract we find the following seed grain liens registered against the title:

5085½ B.F., S.G.Lien dated Mar.24, 1915, registered July 6th, 1915. by Kenneth R. Walker to The Crown for $195.00, Int. @ 5%

4478 B.H., S.G.Lien, dated Jan. 1, '15, registered Dec. 28th, 1915. by Kenneth R. Walker to The Crown for $85.00, Int. @ 5%

The land was sold by the Hudson's Bay Company to Mr. E. C. Ludtke, but the advances were apparently made by your Department to a man by the name of Kenneth R. Walker. We do not know what interest this party had in the land and the Hudson's Bay Company never knew anything about him.

Please let us know whether under these circumstances your Department is willing to discharge these liens without payment.

S½-8-9-10-W.4th-Mer.

Sir,

I am in receipt of your communication of the 30th ultimo, written in behalf of the Hudson's Bay Company, advising of certain registrations appearing against title to the above described half-section in favour of the Department, as representing liens given in favour of the Department by one, Kenneth K. Walker, in 1915. You contend that the Company sold this land to E. C. Ludtke, and that they have no knowledge of Kenneth K. Walker, nor of what interest he had in the land, and therefore, request the discharge of those liens without payment.

In answer I beg to advise you that Kenneth K. Walker in applying for the seed grain advance advised that he had purchased this land and had completed one-half the payments. Homestead Inspector Mayberry reporting on this case under date of October 24th, 1922, advised as follows:

"I beg to report that the above named man, (Kenneth K. Walker), purchased this land from Hudson Bay Company and let it go back to the Company in 1916. In March 1917 George Jenkins of Section 7-6-9-W.4th, purchased this land and has broken 200 acres on it. At the time he purchased same he paid $1,000.00 cash, and also claims that he paid this seed lien indebtedness to the Hudson Bay Company's Agent at Bow Island, whose name is Roy Beattie, Bow Island.

I thought you might take this up with the Company, or if you wish me to interview Mr. Beatie I will do so. Both Mr. Jenkins and his son assured me that they had paid these liens in full."

The matter was taken up with Mr. Beattie by this office letter of December 1st, 1922, but the same was never acknowledged. However, your clients, I presume, will be in a position to verify this information through their Agent, Mr. Beattie.

Your obedient servant,

P. Marchand,

General Remarks Continued:—

I called on Mr Rieneker today and had a personal interview with him. He informed me that he will not be prepared to put down the above land in part of the Fall when it is at present worked for the Mt Hood Irrigation Co. of Portland, Oregon. He says the 160 acres is all fenced but two acres and the fields are in crop. He will be able to farm it to the best advantage and will put up the proof as soon as the crop is off. He has not built on the land as he is employed by the Mt Hood Irrigation Co. as a foreman. There is no water on the land in question. Under the circumstances Mr Rieneker could not live on the land and be employed by the Irrigation Co. as he is at present.

The land was [illegible] by the Hudson's Bay Company to Roy Southerton, Battle of Saw Lake, under a contract dated March 20th, 1917 for $720.00, the purchaser making a cash payment of $40.00, but that was the only payment he ever made on it. At the time the contract was put through for cancellation there was $20.00 interest done outstanding before taxes [illegible] amounting to $60.00. I understand that Bailey intends to [illegible] land to Jenkins.

From the above you will readily see that the Company never [illegible] time has been dealing with Kenneth R. Bailey [illegible] at the very outset. As to the payment alleged to have been made to Battle for the soil rain taken, we know nothing about it but really do not see why Jenkins should have paid any money on account of the soil drain which had been advanced [illegible] three or four years before. However, we are writing to Battle [illegible] about this point and will write you [illegible].

Dear Sirs,

re East ½ Sec 8-9-10 West 4th M.

In reply to your letter of the 11th inst. addressed to me at Bow Island would say that the following information is about all that I can give you on the above.

I bought this land from the Hudson's Bay Co. and I understood at the time that they had taken the same back from Kenneth R. Walker. The understanding that I had with the H. B. Co. was that the land was to be cleared of all encumbrance.

I do not know anything about the liens. I purchased the land from the H. B. Co. and sold it to Jenkins who immediately started to break the same up.

Jenkins never paid me any money to care take of any liens and I do not know whether he rented land from Walker when Walker owned it or not. I have receipts or accounts at Bow Island showing the whole transaction of mine with Jenkins and no mention was ever made at the time about any seed liens as my understanding with the Hudson Bay Co. was that everything was clear regarding the land.

If there is any other information that I can give you will be pleased to do so. It is hard to remember all the close details in my head and the papers in connection with this deal are filed at Bow Island.

Yours very truly,

Sir,-

Re - E.½ 8-9-10-W4M.
Hudson's Bay Company,
Kenneth R. Walker.

In connection with the above concerning which Inspector McCowan reported through your office under date of the 10th ultimo, I am enclosing for your information copies of communications received from Messrs. Tupper, McTavish, Foley and Tupper of dates November 11th and 24th enclosing a copy of one received by them from R.S.Beattie under date of the 17th ultimo.

The Department must decide as to whether the Liens will be held as a proper charge against the land in question, and in this connection I would advise that in his application for the seed K.R. Walker advised of having paid one-half on the purchase price of the land quoted as security. His application was signed by his Attorney A.B. Stoney (or Storey) and the Liens covering the advances were signed K.R. Walker through his Attorneys A. B. and J.B. Stoney (or Storey). The one for $85.00 was executed before E.C. Ludtke a Commissioner for taking Oaths, who is evidently the same party as E.C. Ludtke mentioned in Messrs. Tupper, McTavish, Foley and Tupper's communication of the 11th ultimo as being possibly the vendor to Walker. This Lien was witnessed by Samuel Jamieson of Bow Island.

The Lien for $195.00 was executed before F.D. Stewart as Commissioner for taking Oaths and was witnessed by one Joseph Donahue of Bow Island.

I submit those details as it is considered advisable that you have a further report made and those parties mentioned interviewed, if possible, in order that some information may be obtained in connection with just what agreement was held by Walker at that time, and also information of his alleged payment. A special endeavour should be made to locate the Stoneys' (or Storeys') as they would in all probability be in possession of exact information.

Thanking you in anticipation of your favour in this matter.

The liens given in favour of the Department were signed on behalf of Walker by his Attorneys, A. B. and J. B. Gentlemen:

Re. Kenneth H. Walker,
E½-8-9-10-W.4th-Mer.

Under dates of March 24th and 31st, 1915, you, as Attorneys for Kenneth H. Walker, signed liens for $195.00 and $85.00 in favour of this Department to cover advances of seed made to your client on the security of the E½-8-9-10-W.4th.

You also executed the application for those advances and in the same described the land quoted as security as bought land, the amount paid on the purchase price being one-half. Those liens were subsequently registered against title, and the Hudson's Bay Company are now contending that they are not a correct charge, advising that Walker never at any time purchased from them, but admitting the possibility that E. C. Ludke, who was the vendor from them, may have resold to Walker. They foreclosed on Ludke in 1915 and the land was resold by them to one Roy Beattie, of Bow Island, in 1915. They professed no knowledge of Walker having ever paid one-half the purchase price as stated in the application for the advance.

I am, therefore, to request that you kindly forward this office all possible information which you may be in possession of concerning Walker's equity in this half-section in 1915, as the result of some definite information would be of great benefit to the Department. " In 1915 one, Kenneth d. Walker, through "his attorneys A.E.& J.E. Stoney, obtained "seed grain advances from this Department in "the amounts of $195.00 and $55.00, executing "liens to cover the same on the security of "the above described half-section.
" The Hudson's Bay Company are now contending "that those liens which are registered against "title are not a correct charge, as they never "had any dealings with Walker, having sold the "land to you, and foreclosing on the same in "1915. In regards to your communication re Seed Grain Lien to Kenneth R. Walker E½ 8. 9 - 10 amounts $185 and $85. Would say we were in possession of that land in 1915, bought from E. C. Luttke, who was supposed to give clear title and never could so land reverted to Hudson Bay Co, so I suppose it is up to us to settle these amounts, although I supposed that all amounts owing to Dept would have been settled when J. B. Stoney made settlement for other lands in 1917. We are now only farming on a very small scale, and cannot see our way to meeting these payments at the present time, but would be willing to make you a proposition to pay at rate of $50 per annum, but on account of dry weather cannot tell at the present whether I could make one this year.

The case was then placed in the hands of Mr. Cuttle in order that he might if possible interview the Storeys and A.C. Ludtke, the Dominion Inspector following reporting under date of November 22nd last stated that Walker was said to be now residing in England, the Storeys at Strome, Alberta, and Ludtke at Youngstown, Alberta. The Storeys and Ludtke were written to and their answering communications are now attached to file.

Ludtke in his of June 7th states as follows:-

> " Replying to yours of May 31st will
> "say that this land was sold by me to
> "A.M. Walker's Agent J.B. Storey his

> "Walker's Agent to file a quit claim deed
> "from same. If you desire any other
> "information please advise. Will be
> "glad to assist you in any way that I

The Storeys in their communication of July 23rd advised as follows:-

> " In reference to your communications re Seed Grain
> "Lien to Kenneth K. Walker L.# 8-9-10 amounts
> "$95.00 and $55.00 would say we were in possession

The Hudson's Bay Company have forwarded the original contract as between them and A.C. Ludtke dated March 4th, 1910, in which it will be noted that a clause is inserted specifically stating that any transfer or assignment of the contract shall be subject to the approval of the Company.

This case is, therefore, submitted as to whether the request of the Company for removal of those Liens can be conceded.

The Jenkins' were then written to but also without result.

The Hudson's Bay Company through their Solicitors Messrs. Tupper, McTavish, Foley & Tupper writing under date of September 30th, 1926, advised that in this case the Company had sold the land and had had to take it back. On obtaining an abstract that fell the liens in question registered against title and requested that they be discharged in view of the fact that the land had been sold by them to one E.C. Luttle, and the advances were made to one L... Walker who as far as they were aware never held an equity in the land as they never had any dealings with him.

They were advised in reply of Walker's statement in his application that he had purchased the land and also of the re-stated Inspector's report in which the Jenkins' had stated that they had made payment of the instalments to the Company's Agent at New Island. Meanwhile Inspector McGowan again reported on November 4th, 1926, stating that he had interviewed George Jenkins, who had advised him that both he and his son had signed a quit claim deed of the whole land in favour of Roy Seattle but also stated that this was void Seattle the Lien in question but could find no documentary evidence to prove it.

Messrs. Tupper, McTavish, Foley, & Tupper again wrote on November 11th, 1926, re-iterating their statement that Walker never at any time purchased from their Company. They admitted the possibility, that Luttle may have re-sold to Walker as they had no information to the contrary, but they knew nothing about Walker completing half the payments. Luttle was foreclosed by them on December 9th, 1916, and the land was re-sold by the Company to R.S. Seattle of New Island on March 20th., 1917, for $5760.00, and they understood that Seattle re-sold to Jenkins.

On November 24th following they again wrote enclosing a communication from Seattle dated the 17th of the same month in which he stated as having bought this half-section from the Hudson's Bay Company, and at the time he understood that they had taken this land back from E.R. Walker and that as far as his contract was concerned the land was to be cleared of all encumbrances. He stated as knowing nothing whatever about the liens, having purchased the land and re-sold it to Jenkins, who immediately started to break it up. He stated positively that Jenkins never paid him any money to take care of any liens.

In 1918 one K.R. Walker through his Attorneys Messrs. A.B. & J.B. Stoney executed Liens for $198.00 and $66.00 in favour of the Department to cover advances of Seed Grain and Feeder Fees on the security of the above described half-section. No payments have been received and the account stood as at March 31st last at:-

Principal.....$264.00
Interest.....131.26
Total.....$395.26

In their application for the advance the Stoneys stated this half-section was patent land of which one-half had been paid. Our Annual Statement directed to K.R. Walker at Bow Island in 1920 was returned, and an Abstract drawn under date of November 10th of that year showed title as standing in the name of the Hudson's Bay Company subject to the Liens in question, and an Historical Abstract or file dated February 18th, 1921, affirms the same information with no record of any transfer from the Company to any other party.

The case was placed in Mr. Cuttle's hands for collection and he reported in October 1922 as follows:-

" I beg to report that Kenneth R. Walker
"purchased this land from the Hudson's Bay
"Company and let it go back to the Company

"he paid this Seed Grain Lien to the Hudson

Beatie was subsequently written to but without result and Homestead Inspector McGowan's report of September 17th, 1924, was as follows:-

Re - Hudson's Bay Company,
E½-8-9-10-W.4th-Mer.

Please see Mr. Hogan's memo of the 14th instant, and also Mr. Marchand's of the 16th, both on file #3536731 herewith.

According to the Articles of Agreement executed between the Governor and Company of Adventurers of England trading into Hudson's Bay, and E. C. Ludtke, dated the 4th of March, 1910, it was provided that any transfer of the land or assignment of the contract shall be subject to the approval of the Company.

The Solicitors for the Company in a communication to the Financial Controller dated the 11th of November, 1925, stated Ludtke only made the initial payment of $560.00 in 1910, and that they had no knowledge of any dealings with Walker, who received the advance from the Department. Furthermore that Ludtke was foreclosed by an action of the Court, the final order being dated December 9th, 1915.

It would, therefore, appear that Walker had no equity in the land when the advance was made by the Department to his Attorneys, and in view of that fact, and also that Walker's Attorneys, A.B. & J.B. Stoney, have signified their willingness to settle the account by paying the sum of $50.00 annually, I am of the opinion that the liens should be removed from the half-section owned by the Company, and I, accordingly, concur in Mr. Marchand's recommendation to that effect.

If you approve and return the papers I will have the necessary action taken.

Re: E.½ 8-9-10 W4th Mer.

Mr. A. W. Stoney of Viking, Alberta, has admitted to the Department his responsibility for seed grain indebtedness incurred in connection with the above land, amounting to $248.23 with interest as at the 31st March last, and stated his willingness to make payment of $50.00 per annum in reduction of the account, but fails to reply to Departmental letters requesting payment. The Postmaster at Viking advises that Mr. Stoney receives his mail regularly at that office and that his farm is twelve or fourteen miles from Viking which is situated in your district. Will you be good enough, therefore, to have one of your Inspectors locate this man and furnish a description of the land which he is farming and a statement as to his interest in same, and endeavour to effect collection.

MEMORANDUM:

Mr. Hogan,
Seed Grain Division.

E.½ 8-9-10-W.4th M.

As the land has been cleared from the seed grain charge, the only hope of collection lies in following up the Messrs. Stoney who are now at Viking, Alberta. I think, therefore, that you should write the Agent, Lethbridge, and also the Agent, Edmonton, and have the control of this case transferred to the latter Agent, Viking being within his district.

There is a point which seems to require clearing up. Note that the letter of the 23rd July, 1926, is signed "A.V. Stoney, per A.B. and J.B. Stoney". As far as I can ascertain this is the first time the name A.V. Stoney appears on the file and I am at a loss to understand who A.V. Stoney can be. On checking up the file the whole of the papers are signed A.B. Stoney and J.B. Stoney. In the lien for $85.00 at the base of the file, the names given are Arbuthnot Butler Stoney, Attorney, and J.B. Stoney, Attorney.

A.V. Stoney may be a third brother but as far as I can see he is not the person responsible for the payment of the debt. In writing the Agent, Edmonton, it would be well to give him full particulars of this case (see Departmental letters of the 18th December, 1925, and 6th April, 1926). The Agent, Edmonton, should be furnished with a copy of the letter from the Messrs. Stoney of the 23rd July, 1926, and he should be required to follow the matter up both as to the question of collection and also when the Inspector is attending to this case he should find out exactly who A.V. Stoney is.

E.½ 8-9-10-W.4th M.
N.E.¼ 32-46-14-W.4th M.
N.E.¼ 34-46-14-W.4th M.

In this connection I beg to advise that in 1915 A.B. and J.B. Stoney, acting as Attorneys for one K.R. Walker, obtained advances of seed grain and fodder from this Department in the amounts of $195.00 and $85.00 respectively, executing liens to cover the same on the security of the East half of Section 8, Township 9, Range 10, West of the 4th Meridian. No payment has been received to the credit of this account which stood as on March 31st last at principal $280.00, interest $182.23, total $462.23.

It subsequently transpired that this land could not be held as security and the liens were removed from title in November 1926. An endeavour was then made to locate the Stoneys and it was discovered that they were farming at Viking, and being written to re payment of the indebtedness they answered under date July 23rd, 1926, as follows:-

"In regard to your communications re Seed Grain Lien to Kenneth R. Walker, E.½ 8-9-10 amounts $195 and $85, would say we were in possession of that land in 1915, bought from E.C. Luttke, who was supposed to give a clear title and never could so land reverted to Hudson Bay Co. so I suppose it is up to us to settle these amounts, although I supposed that all amounts owing to Dept. would have been settled when J.B. Stoney made settlement for other lands in 1917. We are now only farming on a very small scale and cannot see our way to meeting these payments at the present time, but would be willing to make you a proposition to pay at rate of $50 per annum, but on account of dry weather cannot tell at the present whether I could make one this year."

It will be noted that they acknowledge this indebtedness but that the communication is signed by A.V. Stoney per A.B. and J.B. Stoney, introducing a new party

The Agent of Dominion Lands,

party in the person of A.V. Stoney who, according to our file, has had no previous connection with the account.

Homestead Inspector Cunningham reporting under date of March 29th last advised that the Stoneys were now living on the North East quarter of Section 32, and the North East quarter of Section 34, Township 46, Range 14, West of the 4th Meridian, that there would be about 100 acres in crop this season and that they had promised to make payment this year.

I am therefore to request that you kindly undertake the matter of collection of this account by keeping in close touch with those men and also that when the Inspector is attending to the case it might be advisable to ascertain exactly who A.V. Stoney is, as it is difficult to connect him with any responsibility in the matter.

Your obedient servant,

Acting Commissioner of Dominion Lands.

Re: Account of Kenneth R. Walker
E½ 8-9-10-W.4th

The matter of an application for an adjustment of indebtedness outstanding against the above mentioned party is referred to you, constituted as a Board to deal with such cases. Having completed an investigation I am now in a position to report as follows:-

In 1915 seed grain and fodder amounting to $280.00 were advanced to Kenneth R. Walker on the security of the above mentioned land. No payment has ever been received and the present standing of this account is:-

Principal	Interest	Total
$280.00	$574.23	$854.23

The E½ 8-9-10-W.4th was formerly land owned by the Hudson's Bay Company and on which security the debtor obtained the 1915 advances of seed grain and fodder. At the time of obtaining the advances the debtor had no equity in the land and on the 6th of November, 1926, authority was issued releasing the land as security for the liens. The indebtedness has since remained as a charge against the lienee under his personal covenant.

The whereabouts of the original debtor is now unknown and it is considered that there is no possibility of collection.

According to an Abstract of Title dated the 7th of February, 1956, this half-section of land now stands in the name of a Mrs. Katie Kanler of Bow Island, Alberta, clear of any encumbrance.

As the liens are not registered against the land and there is no further security for our advances, it is recommended that the indebtedness be cancelled.

For the information of
Mr. Lawlor.
Dear Sir:

Re: S.E. 25-7-10 W. 6th Mer.

We have been advised by T.C. Lawlor, Esq., B.A., L.L.B., Barrister, etc., Grand Prairie, Alta., that the above quarter section is presently encumbered by a Federal Government lien in the amount of $79.00.

According to our records this lien was originally taken on the S.E. 25-7-10 W. 6th Mer. for an advance of seed grain to Elmer Flaten in 1937. The indebtedness for this advance has been paid in full and discharged from the original security by our Discharge of Mortgage No. 46648. As there is no longer any outstanding indebtedness on this account, you are hereby authorized and requested to remove from the title of the S.E. 25-7-10 W. 6th Mer. the lien now registered in the amount of $79.00.

A copy of this letter is being forwarded to Mr. Lawlor for his information.

Yours very truly,

Commissioner of Immigration

Dear Sir

I made two applications to your office for seed grain early in Dec. One was for seed wheat on 6 acres of land. I have rented from J. W. Evans. the other was for 15 bu. of wheat & 50 bu of oats for land I have prepared on my own land. I have received notice that my application has been accepted for 66 bu of wheat - which appears to be for the J. W. Evans land. which leaves my own land unprovided for. I have delayed writing until now thinking probably I would hear from the other application later. As the conditions seem very favorable for raising a crop this season & as I have my land in good condition I would like very much to obtain the seed to plant it, if it is possible for you to provide it for this land. it would help me a great deal. when I made application to me first I was told me to did

not know of the Government furnishing boards but I have learned since that they do so, if you can accept my application please let me have 15 bu wheat 15 bu barley & 40 bu of oats. and oblige yours very truely Geo A Terry.

And it will require some time to find out. I am requiring sec for 15 acres of that land.

Cancel Liens No. 65651 and if necessary, make new Liens under No. 65652 and allow Mr. Terry sufficient seed, taking Liens on his own land, the N.W.¼ of 12-6-20 W. 4th. See that security is sufficient for the grain allowed.

Sir,

I am in receipt of your letter of the 15th inst., in regard to your applications for an advance of Seed Grain, No. 65651 and No. 65652.

As you cannot secure Power of Attorney from the registered owner of the land for which you require part of the seed you can only secure the Department by giving a Lien on the land for which you hold Title, the N. Copy for Seed Grain Distributing Officer at Raymond .

Cancel Liens No. 65651 and if necessary, make new Liens under No. 65652 and allow Mr. Terry sufficient seed, taking Liens on his own land, the N.W.¼ of 12-6-20 W. 4th. See that security is sufficient for the grain allowed. -

Sir,

I am in receipt of your letter of the 15th inst., in regard to your applications for an advance of Seed Grain, No. 65651 and No. 65652.

As you cannot secure Power of Attorney from the registered owner of the land for which you require part of the seed you can only secure the Department by giving a Lien on the land for which you hold Title, the N. W. ¼ 12-6-20 W. 4th, and grain sufficient to seed the land under cultivation will be allowed you. Call on the Seed Grain Distributing Officer at Raymond, and this will be arranged.

Sir,

Re Lot 40 in Sec. [illegible]-6-30-[illegible]. 4th M.

I beg to inform you that Mr. F. H. Schneider of Raymond, Alberta, has made representations to the Department that a lien for $99.00 should not cloud the title to the above described land, and to say that the records show that this lien was given by one George A. Berry in connection with the N.E.¼ of N.W.¼ 12, W.½ of S.W.¼ 12 and N.W.¼ of N.W.¼ 11-6-30-[illegible]. 4th M., and that the amount due thereunder has been satisfied. It has, therefore, been decided to remove this lien from the first above described land.

You are, therefore, hereby authorized and requested to remove from the said Lot 40, in Sec. [illegible]-6-30-[illegible]. 4th M., the lien in question for $99.00, registered against this land in error, and issue an duplicate certificate of title no. 14 V. 257.

A copy of this letter is being sent to Mr. Schneider for his information.

Kindly advise me of the action you may take in this matter.

Dear Sir:

re: Geo. A. Terry.

The above Geo. A. Terry has applied to me for composition of his affairs. On searching the lands I find that there is a seed indebtedness due by him in connection with the N.E. ¼ of the N.W. of 12-6-20-W. 4th. Terry is in rather bad shape and the suggestion made was that his debts would be reduced 25% and that it would be interest free for the next five years.

I would greatly appreciate your writing to me and let me know , first, what the amount of your indebtedness is principal and interest and second, what offer you will make to Terry in connection with the payment of your account. I may say that he will have no money forth coming until the end of 1935. It has been arranged that he will summerfallow 1/2 section of land in his possession but I consider with ordinary conditions prevailing he should be in a position to make you some definite payment in 1936.

The meeting was held on the 4th. of February, 1935 and was adjourned sine die.

I know that you will make a reasonable offer to Terry under the circumstances and when I hear from you I will incorporate it in the minutes of the meeting so that it will have the protection afforded the creditors under the Farmers' Creditors Arrangement Act.

Thanking you.

Dear Sir:-

Attached please find in duplicate, copy of a letter from the Official Receiver of the Farmers' Creditors Arrangement Act, Lethbridge, requesting on behalf of George A. Terry, an adjustment of the balance due on his seed grain indebtedness; also a statement of the account.

While there is no other land mentioned on the liens but the above, it is evident that Mr. Terry has other holdings, which, if standing in his name, will be charged with the liens under the 1915 Seed Grain Act. In 1924 he was seeding 275 acres, according to a report on file, and the letter from the Official Receiver mentions that Mr. Terry is summer-fallowing a half section of land. There is no description of the character of the soil or the improvements on file. Reports on file indicate that on account of adverse conditions, Mr. Terry was unable to continue making payments after 1920.

Dear Sirs: RE: GEORGE A. TERRY, RAYMOND, ALBERTA

We act for George A. Terry, of Raymond, Alberta.

On the 19th day of October on instructions of Mr. Terry we made a search of the Execution Register of the Land Titles Office at Calgary, Alberta, and we discovered that there are several Liens filed in the said Execution Register against George A. Terry.

Mr. Terry is now quite an old man and he does not seem to recall whether these Liens have been paid and dis - charged. He is apparently of the belief that the Liens in favour of the Crown have been paid by him long since.

We enclose herewith a General Registrar's Certificate under Seal in Form G describing the said Liens in favour of the Crown.

Would you kindly let us know:

(a) Have the Liens been discharged,
(b) If not, what is owing by way of principal and interest,
(c) The very least your Department will take in cash to settle these accounts.

For your information we would like to point out that Mr. and Mrs. Terry are in no position to make any substantial payment. Mr. Terry is not able to work, and the only parcel of land that both he and his wife now have is forty acres of land near the Town of Raymond and the small dwelling in which they live within the Town of Raymond.

(Over)

October 24, 1944.

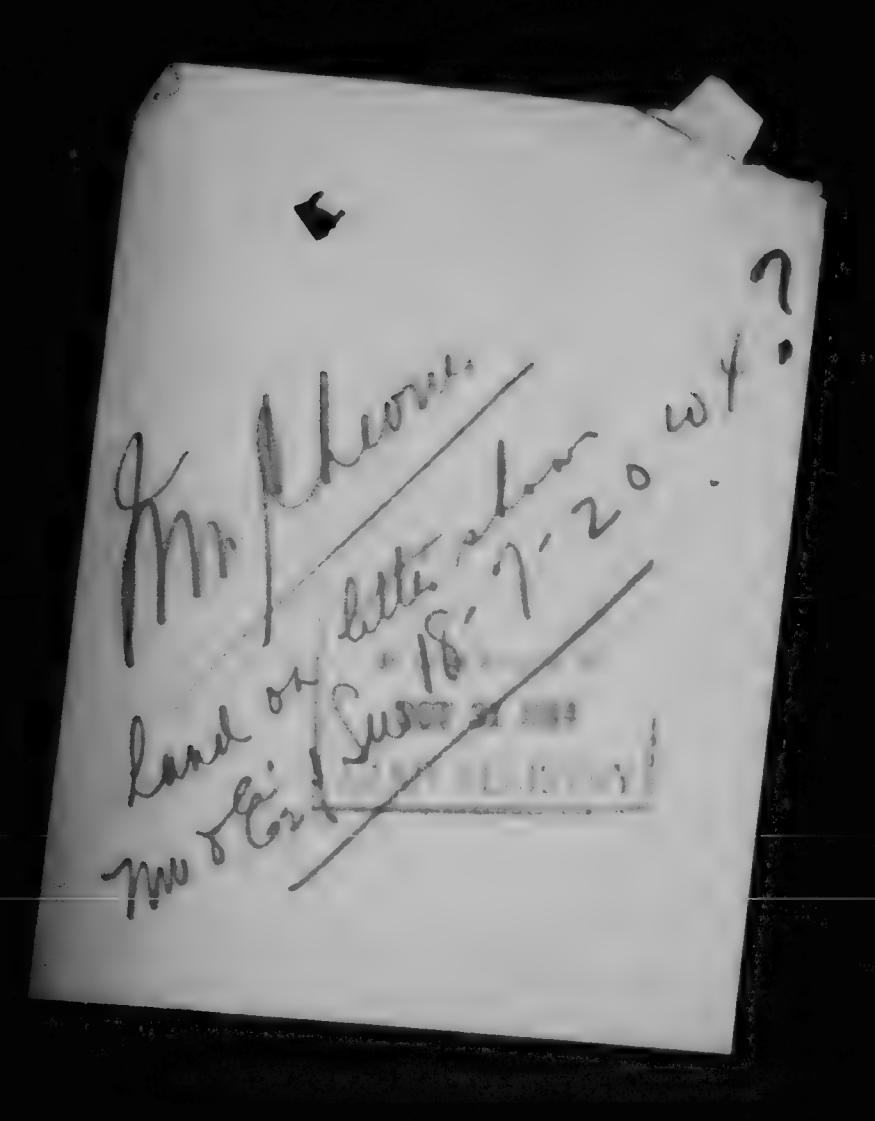

If these liens have not been discharged we would most sincerely crave your indulgence, and we would ask you kindly to consider a reasonable offer of settlement, and at the same time, as stated above, we would appreciate if you would please tell us what amount you will accept in order that we may obviate lengthy correspondence in this respect.

Dear Sir:

Re: George A. Terry.
N.E. of N.T. 12-8-20-West 4th M.
Dominion & Joint Relief Liens.

This party obtained advances from the Dominion Government for Seed and Fodder in the year 1915 in a total sum of two hundred and nine dollars and eighty cents ($209.80) against which he has made repayments aggregating two hundred and five dollars and eighty cents ($205.80), leaving a balance outstanding as at 30th of November, 1944, of ninety-two dollars and twenty-five cents ($92.25).

Mr. Terry also obtained Joint Relief Advances of eighty dollars ($80.00) against which he made sundry repayments leaving a balance with interest computed to 31st of March, 1934, of one hundred and six dollars and forty-five cents ($106.45).

As security for these advances liens were filed on title to the above described property subsequent however to a mortgage in favour of the Northern Trust Company, which was dated 15th of May, 1910. This mortgage has been paid off and the liens now constitute first charge on the property.

Mr. Terry, through his solicitors, Messrs. Moscovich & Moscovich of Lethbridge, has now applied for a compromise settlement of the indebtedness under these liens and in support of the application I have been given the following information.

(continued).....

(Continued)

. Terry is now an aged man of 72 years no longer able to and he is endeavouring to arrange his affairs in such a that he and his wife who is also aged may be able to out their remaining years in a small dwelling. which within the Town of Raymond. This latter property is of no great value and probably not worth more than four hundred dollars ($400.00).

A sum of fifty dollars ($50.00) has now been tendered in full settlement of these liens and as this amount together with previous repayments represents a recovery in full of the original Dominion advances together with approximately five dollars ($45.00) of the interest charges, I would recommend that upon application of this fifty dollars ($50.00) to the credit of the Dominion liens the said liens be released and the balance remaining outstanding be written off.

I would recommend that the Joint Relief account be unconditionally cancelled and the liens in this respect be released.

Dominion & Joint Relief Liens.

This party obtained advances from the Dominion Government for Seed and Fodder in the year 1915 in a total sum of two hundred and nine dollars and eighty cents ($209.80) against which he has made repayments aggregating two hundred and five dollars and eighty cents ($205.80), leaving a balance outstanding as at 30th of November, 1944, of ninety-two dollars and twenty-five cents ($92.25).

Mr. Terry also obtained Joint Relief Advances of eighty dollars ($80.00) against which he made sundry repayments leaving a balance with interest computed to 31st of March, 1934, of one hundred and six dollars and forty-five cents ($106.45).

As security for these advances liens were filed on title to the above described property subsequent however to a mortgage in favour of the Northern Trust Company, which was dated 13th of May, 1910. This mortgage has been paid off and the liens now constitute first charge on the property.

Mr. Terry, through his solicitors, Messrs. Moscovich & Moscovich of Lethbridge, has now applied for a compromise settlement of the indebtedness under these liens and in support of the application I have been given the following information.

(continued).....

Mr. Terry is now an aged man of 72 years no longer able to work and he is endeavouring to arrange his affairs in such a manner that he and his wife who is also aged may be able to live out their remaining years in a small dwelling, which they own within the Town of Raymond. This latter property is of no great value and probably not worth more than four hundred dollars ($400.00).

A sum of fifty dollars ($50.00) has now been tendered in full settlement of these liens and as this amount together with previous repayments represents a recovery in full of the original Dominion Advances together with approximately forty-five dollars ($45.00) of the interest charges, I would recommend that upon application of this fifty dollars ($50.00) to the credit of the Dominion liens the said liens be released and the balance remaining outstanding be written off.

I would recommend that the Joint Relief account be unconditionally cancelled and the liens in this respect be released.

Yours very truly,

W. Hawke

Mr. J.T. Judge,

Dear Sir:

Re: Geo. E. Court.
Ag of ad. 2-6-21-4.
NE 2-6-21-4, L.S. 11-of 12-6-20-4.
Dominion Liens.

This individual obtained the following advances in 1915 giving as security a lien on part of the above land which subsequently became a charge on the balance of the land quoted.

Dominion relief.

Seed Grain 1915	$151.80
Int. to June 30/47	127.46
	$279.26
Payments	137.85
	$141.41

The debtor has had a difficult time carrying on and raising a family of 19 children. In 1909 he first gave a mortgage on his land and subsequently gave other mortgages which he was unable to satisfy for a number of years, in fact one of the mortgages is a ill unsatisfied although he is making every effort possible to clear these liabilities.

In 1943 his tax arrears increased to such an amount that his land was in jeopardy but with assistance from the mortgage co pany tax consolidation agreements were entered into and are being kept in good standing.

From abstracts of title obtained it appears that this debtor at no time had any interest in one part of the NE 2-6-21-4 containing 32.6 acres and the assessed value of the balance of the land is

Cont.

Cont.

D-C-132

approximately three thousand and three hundred dollars ($3,300.00) which indicates that in spite of the long struggle this individual has made to place his affairs in a fair financil position he has not succeeded in the long period of time he has been farming in building himself up any large assets.

The sum of seventy-four dollars and fifty cents ($74.50) representing the unpaid portion of the principal has been tendered in full settlement of this lien and the offer is supported by the recommendation of the council of the local Municipal District who are of the opinion that consideration should be granted this individual.

Taking the sum now offered into consideration together with the total of previous payments it will be found that a total sum approximately sixty dollars ($60.00) in excess of the original advances will have been recovered.

In view of the information set out above I would recommend that the offer now made be accepted, the balance of the account being written off and the lien discharged.

Yours very truly,

Re: Account of Freeman Cook,
N.E.¼ 3-6-22-W4.

Dear Sir:

During the year 1915 while homesteading the above mentioned land, Mr. Freeman Cook received seed grain as a loan from the Government of Canada. The loan was secured by a lien on the title of the land, of which we understand you are now the registered owner. No doubt you will be interested in settling the debt and having the title of your land cleared. The amount outstanding is $715.40 of which $234.50 is principal and $480.90 is interest.

The Seed Grain Advisory Board was set up by the Government of Canada some years ago to investigate seed grain, fodder and relief accounts and in cases where the amount of the indebtedness is large compared to the value of the land or other circumstances exist, to recommend a reduction of the debt.

You may feel that there are extenuating circumstances in your case. If so, you should write to the undersigned giving full details which will be presented to the Seed Grain Advisory Board for consideration. The Board will then review the account and you will be advised of the minimum settlement required to pay off the liens.

Yours very truly,

C.K. LeCapelain,
Chief, Lands Division.

BOARD ORDER
No. 11314

Dear Sir:

Re: N.E. 3-6-22-W. 4th Meridian,
Thomas Freeman Cook Estate,
Dominion and Joint Relief
Advances.

The above named party obtained the following advances for which liens have been registered against the Title:

DOMINION ADVANCES

Fodder, 1915	$ 52.50	
Seed Grain, 1915	182.00	
Sub Total	234.50	
Interest to 31/3/55	469.17	
TOTAL		$703.67

JOINT RELIEF ADVANCES

April 27th, 1922	$ 27.87	
April 27th, 1922	125.48	
Sub Total	153.35	
Interest to 31/3/55	353.93	
TOTAL		$507.28

An offer and payment of Four Hundred dollars ($400.00) has been remitted by a Solicitor on behalf of the above mentioned estate for a full compromise settlement of both accounts. The registration of liens for both accounts followed a mortgage of Four Thousand dollars ($4000.00) to the Royal Trust Company which was reg-

(con't on Page 2)

istered on July 10th, 1909. Another mortgage for Fifteen Thousand and Three Hundred dollars ($15300.00) was registered in favor of a Bank of Montreal on March 1st, 1920. Both mortgages still appear on a recent Abstract of Title but the Solicitor states that no records can be found of their present existence or discharge at some time in the past.

We do not have the actual date of the debtor's demise but the information obtained indicates that he left a family of eleven children, one of whom is now thirty-six years of age and due to chronic pleurisy is unable to earn a livelihood and will share in the net proceeds of the estate and this is dependent on the production of the above land.

This parcel is valued at Thirty-Five Hundred dollars ($3500.00). The approximate value of the estate is Fifty-Three Hundred dollars ($5300.00) after payment of other outstanding debts. The Solicitor submits that in discussions he had with the debtor at some time in the past, Mr. Cook indicated that his obligations with respect to Dominion and Joint Relief Advances had been settled, but there is nothing in the records to indicate any payments whatsoever having been made. It is, therefore, rather difficult to convince the widow who is executrix of the estate that these obligations were outstanding and would have to be met before release of the liens could be obtained.

Earlier offers of One Hundred dollars ($100.00) and Two Hundred and Fifty dollars ($250.00) were made but I did not consider that these amounts would be acceptable on which I could base a recommendation for compromise. The offer was finally increased to Four Hundred dollars ($400.00) as set out above and in view of the fact that the amount offered covered the principal and over by Twelve dollars and Fifteen cents ($12.15), I believe it should receive favorable consideration. This view is expressed on the basis that support will have to be provided for the widow and the sick heir from the proceeds of the farm.

I would, therefore, recommend that the sum of One Hundred and Fifty-Three dollars and Thirty-Five cents ($153.35) be applied on account of Joint Relief Advances and the balance of Two Hundred and Forty-Six dollars and Sixty-Five cents ($246.65) be applied on account of Dominion Advances. I would further recommend that upon application of these amounts to the respective accounts same be adjusted so that they will stand paid in full and the respective liens be released from the Titles.

Straight Provincial Seed Grain Advances in the amount of Three Hundred and Eleven dollars and Sixty cents ($311.60) together with accrued interest have already been cancelled.

Yours very truly,

[signature]

April 29, 1920	.....	157.50

(Mad)

Due to almost continuous drouth conditions w ich
ail in the part of the Province in which this land is
ated the subtor was unable to succeed in his farming
rations and eventually moved therefrom with a view to
ding himself elsewhere under more favourable conditions,
s present whereabouts being unknown.

Title to this land was allowed to revert to the
taxing authorities under the provisions of the Tax Recovery
Act and the land itself is now under the jurisdiction of the
Special Areas Board.

Due to its location that Board holds the land
available for lease by one of the few remaining residents
for grazing purposes only as a result of the inadvisability
of allowing the land to again be brought under cultivation,
the rental being of a nominal amount only insufficient to
provide for any recovery on these advances.

As there is now no possibility of obtaining
repayment under the personal covenant and as no security of
any value remains I would recommend that the balance outstand-
ing be written off and the liens discharged.

GENERAL REMARKS: The wheat is about ½ cut, should average about 15 to 20 bu/acre. Crop very poor. I think a seizure should be placed on this crop, as once the threshing is done, and the crop sold; and they receive the money, I am afraid it will be impossible to get anything on said grain. Dear Sir:

Re: John T. McKay. Joint Relief.
Section 11-5-12-West 4th Mer.

The above party on April 5th, 1930, obtained Joint Relief advances in the amount of nine hundred and twenty dollars ($920.00) on which payments have been made of four hundred and twenty-four dollars ($424.00), leaving a balance outstanding of one thousand four hundred and twenty dollars and one cent ($1,420.01) including interest to October 31st, 1935.

Due to reverses which this individual continually suffered he was unable to retire the advances in full and eventually found his affairs in such a condition that in 1935 he made application under the Farmers' Creditors Arrangement Act. The Board of Review set this Joint Relief account at a sum of one hundred dollars ($100.00) plus interest at the rate of 5% per annum until paid.

Payment as required by the proposal formulated under the above Act has now been applied and I would, therefore, recommend that the balance outstanding be written off and the liens discharged.

Mr. Gliddon,

Land Patents Branch.

Re N.E. 9-16-24-W. 4th.

Please see representations made to this office by one, Joseph Myers, bearing date of the 9th April last and of the 3rd instant.

It appears therein, that title to the above described land is clouded by a lien for $225.00 registered July, 1915. In this connection the records show that one, Joseph R. Myers, received from the Department in 1915 on the security of the S.E. 7-16-24-4 Seed Grain for that amount.

By comparison of signatures, they are apparently not the same person. It is, therefore, presumed that the wrongful registration was effected through similarity in names.

The matter is, therefore, referred to you for attention.

Sir,

Re N.E. 9-16-24-W. 4th M.

I beg to inform you that Mr. Joseph Myers of Kirkcaldy, Alberta, has made representations to this Department in regard to a lien for $225.00 alleged to be wrongfully clouding the title to the above described land, and to say the records here show that this lien was given by one Joseph A. Myers in connection with the S.E.¼ 7-16-24-W. 4th M., and should not cloud the title to the first above described land.

You are, therefore, hereby authorized and requested to remove from the title to the said the N.E.¼ 9-16-24-W. 4th M., the lien in question for $225.00, appearing registered against it in duplicate under Nos. 907 B.L. and 6829 B.L.

Re: S.E. 7-8-16 W4th Mer.

The account of Joseph F. Myers for 1915 seed grain registered against the above land amounting to $125.82 plus interest on $82.13 at 5% from the 31st August 1927 to date of payment. I enclose herewith a copy of Homestead Inspector Wilcox' report of the 7th July last showing 92 acres in crop this year. The Department wrote to the Debtor on the 12th August requesting him to make provision for the payment of this account and he was warned that as no reply had been received to the Department's former communications regarding this indebtedness that should he fail to make some remittance or give a satisfactory explanation more drastic action would have to be considered.

The Department now advise that no reply has been received from Mr. Myers and desires that a special effort be made to effect collection. The debtor is not resident on the land but there was thresned according to former reports 1000 bushels in 1925 and 140 acres of crop in 1926. The debtor also made a promise to pay this account last fall, but no payment was made. You will notice according to the Inspector's report that Mr. Myers receives one-quarter of the crop at the elevator and I would suggest that seizure be made of his share in order to effect collection.

Dear Sir,

This office is in receipt of yours of the 5th instant, requesting to be advised whether if on payment of the sum of $63.00 the Department will be willing to release the seizure placed upon your share of the crop grown on the S.E.¼ of section 7-8-16, West of the 4th, and in reply it might be stated that while you have apparently been neglectful in communicating with the Department in relation to the indebtedness, it is not the Department's intention to be unduly harsh to anyone and under these circumstances if you will pay to the Sheriff or to the Agent of Dominion Lands at Lethbridge, the sum of $63.00 arrangements will be made to advise the Sheriff to release the seizure, under which circumstances it will be expected that you will probably be called upon to pay the expenses in connection with this transaction and that you will promise to arrange to pay the balance of this indebtedness or an amount agreed upon next season.

A copy of this communication is being forwarded to the Sheriff, to the Agent and to the Department at Ottawa, for their information.

Re: Sale of Section 1-8-16-4. Alta. Sales 5.

You hold a deed granting lien on the above land for $, said parcel being the same that I would imagine that the record showing the first lien on the records in your office will also show that. The first lien was registered in the Land Titles Office, Calgary, on the 10th of June, 1916, as No. 5.L., and the second on the 7th of December, 1916, as 6800 5.L.

I should be very much obliged if you would let me have an abstract of these two registrations, and also let me have a statement of the amount due thereon.

My client is contemplating making an offer of settlement for the liens, and I should be obliged if you would also inform me if that offer should be made direct to you or to some office in this province which will make an investigation and report to you.

Dear Sir:

Re: Joseph Meyers - Dominion
Seed Grain Lien - NE 7-8-16-W4th

In the year 1915 this party obtained an advance from the Dominion Government for Seed Grain in a sum of $225.00 against which he made repayments aggregating $ 220.45 leaving a balance outstanding as at October 31st, 1938, as follows:

Principal	$ 63.75	
Interest	28.50	$ 92.25

As security for this advance a lien was filed on title to the above described land which, it will be noticed, is situated in the dry district south of Taber where crop conditions have been very poor for many years.

In the fall of 1938 Mr. Meyers requested that the Board recommend a release of this lien on the grounds that he was in very reduced circumstances with a large family to support and his crop returns, owing to drought, had been so poor for many years. It was considered, however, that as the lien constituted a first charge against the land he should at least be expected to repay a sum which, with prior payments, would represent the original advance and was so informed.

BOARD ORDER NO: 11,406.

Re: SE 7-8-16-W. 4th Meridian,

Joseph F. Meyers, + Herbert Vankley
Dominion Advances,
Joint Relief Advances,
1936-39 Agricultural Relief
Advances.

The attached report, with recommendations of the Chief Collector of the Collection Branch, Department of Municipal Affairs, dated December 6th, 1957, has been submitted to the Agricultural Relief Adjustment Board, and in the opinion of the Board the proposed adjustment is fair and reasonable and it is desirable that it be accepted.

In accordance, therefore, with the provisions of the Agricultural Relief Adjustment Act, Revised Statutes of Alberta, 1942, IT IS ORDERED that the recommendations for the adjustment and settlement of the said account contained in the said report, be and the same are, hereby APPROVED and ACCEPTED.

CHAIRMAN, Agricultural Relief Adjustment Board.

TO:

The Honourable E. W. Hinman,
Provincial Treasurer,
Province of Alberta,
EDMONTON, Alberta.

W. A. M. Morrison,
Chairman,
Seed Grain and Relief Adjustment Board,
Alberta.
EDMONTON,

Dear Sir:

Re: SE 7-8-16-W. 4th Meridian,
W½ & SE 16-10-17-W. 4 Mer.,
Joseph F. Meyers, et Herbert Van Kley
Dominion Advances,
Joint Relief Advances,
1936-39 Agricultural Relief
Advances.

The above named obtained advances for which Liens have been registered against the titles. Particulars of the accounts are as follows:-

Dominion Advances:

March 14th, 1915	$ 84.15
Int. to October 31, 1957	157.79
Total	$241.94

Joint Relief Advances:

April 25th, 1922	$ 44.70
March 28th, 1922	72.25
	116.95
	299.44
Int. to October 31, 1957,	$416.39
Total	

1936-39 Agricultural Relief Advances:

Principal	$484.74
Int. to March 31, 1949	260.59
Total	$745.33

The debtor has offered and remitted the sum of Five Hundred and One dollars and Ten cents ($501.10) in full settlement of all three accounts on a compromise basis. He is sixty-five (65) years of age and wishes to clear his titles of all encumbrances registered as security for the advances enumerated above.

Mr. Meyers' financial position is not good due to the low income derived from his farm which is located in the South-east part of the Province. The soil is marginal to submarginal and drought and hail took their toll over the years. He has farmed the land since 1909 and is now forced to consider retirement from active farming due to indifferent health.

In view of the circumstances outlined I believe the settlement offered should be considered satisfactory and would recommend that it be accepted. Since the Dominion and Joint Relief Advances are a prior charge I would further recommend that the sum of Eighty-Four dollars and Fifteen cents ($84.15) be applied to the Dominion Advances Account and the sum of One Hundred and Sixteen dollars and Ninety-Five cents ($116.95) to the Joint Relief Advances Account and the remaining Three Hundred ($300.00) dollars to the 1936-39 Agricultural Relief Advances Account. It will be noted that the sums recommended for application to the Dominion and Joint Relief accounts are equal to the principal advanced in each instance. I would further recommend that after application of the payment all three (3) accounts be adjusted so that they will stand paid in full and the corresponding liens discharged.

Yours very truly,

A. R. DUFF,
CHIEF COLLECTOR,
TAX RECOVERY BRANCH.

Mr. H. O. Cote,
Controller of Lands Patents.

Re. W½-31-12-17-4.

Please see letter, hereunder, reference No. 38P3486 from Mr. Cuttle, with reference to a lien for $100.00 registered against the above described land.

In this connection I may say that I have no record of a lien for $100.00 given by George Guertzen on the security of the land above described.

I have, however, a lien for this amount given by Mr. George Guertzen and the W½-31-11-17-4.

Please take the necessary action and advise Mr. Cuttle of the result.

Memorandum:

-Re W.½ 31-12-17-W.4th M.-

Please see Mr. Cuttle's letter of the 30th March on file hereunder, enclosing letter from Silas Myers, Taber, Alta., respecting the Seed Grain lien for $100.00 improperly registered against his land.

The lien in question was given by one, George Guertzen in connection with the W.½ 31-11-17-W.4th M., and it appears to be a clear case although there is no Statutory Declaration furnished.

Mr. Cuttle recommends that the lien be removed from Myers' land the W.½ 31, in township 12.

Please say if in view of the circumstances this action may now be taken without requesting documentary evidence.

I beg to inform you that representations have been made to this Department that the lien for $100.00 given to His Majesty in the right of the Dominion of Canada by George Guertzen in connection with the S.½ 31-11-17-W.4th M., has been improperly registered in the Land Titles Office against the W.½ 31-12-17-W.4th M., standing in the ame of Silas Myers of Taber, Alta., and that the said lien illegally clouds the title to the last mentioned land.

If the lien for $100.00 has been registered as represented above, you are hereby authorized and requested to remove the same from the West ½ of section 31, township 12, range 17, West 4th Meridian.

A copy of this letter is being sent Mr. Silas Myers, Taber, Alta., who has written to the Department in this case.

The attached report, with recommendations of the Chief Collector of the Collection Branch, Department of Municipal Affairs, dated December 8th, 1944, has been submitted to the Agricultural Relief Adjustment Board, and in the opinion of the Board the proposed adjustment is fair and reasonable, and it is desirable that it be accepted.

In accordance, therefore, with the provisions of the Agricultural Relief Adjustment Act, Revised Statutes of Alberta, 1942, IT IS ORDERED that the recommendations for the adjustment and settlement of the said account, contained in the said report be, and the same are, hereby APPROVED and ACCEPTED.

Mr. A. Coutter,
Chairman,
Seed Grain & Relief Adjustment Board,
[redacted], Alberta.

Dear Sir:

Re: T) 30-11-17-West 4th Meridian.
Old Joint Relief. Geo. T. Bennett.

This party obtained advances for Joint Relief through the old Municipal District of McLean No. 98 in a total sum of five hundred and twenty-seven dollars and seventy cents ($527.70) and there is outstanding with interest computed to 31st of March, 1944, a sum of one thousand two hundred and eight dollars and sixty-seven cents ($1,208.67).

As security for these advances liens were filed on title to the above described property subsequent, however, to large mortgages in favour of the Canadian Bank of Commerce.

Mr. Bennett died some years ago and his sons have been endeavouring to clear the land of indebtedness, total in excess of twenty thousand dollars ($20,000.00). The Bank realizing that the property affected lies in a very dry district, accepted one thousand and six hundred dollars ($1,600.00) in full settlement of their claim which was very close to nineteen thousand dollars ($19,000.00), and, an offer has now been received of one hundred dollars ($100.00) in full settlement of this old Joint Relief.

The settlement offered in respect of this account represents a slightly higher percentage than was paid to the Bank and I have no hesitation in recommending the acceptance of the offer, and that upon application of the sum of one hundred dollars ($100.00) to the credit of this account all liens be released and the balance outstanding be written off.

Yours very truly,

CHIEF COMMISSIONER.

OTTAWA, 4th March, 1916.

Memorandum:

Mr. Beddoe.

The Agent of Dominion Lands, Lethbridge, states that in the list of Seed Grain Securities received from the Commissioner of Immigration, Winnipeg, there is an entry of $75.30 for which a lien has been given by Mr. W. Liggins and registered in the Land Titles Office, and also in the Agent's office, against the East ½ of Section 25, Township 8, Range 14, West of the 4th Meridian, which is School Land.

According to our records, Mr. Liggins has no interest in this land, which stands in the name of Messrs. H. M. Cornell and J. H. Cheney.

The Agent and the Registrar, therefore, I think, should be instructed to remove this charge against the East ½ of Section 25 in question.

Re N.E.¼ 25--6--14 W.4th Mer.

Referring to your memorandum of the 3rd instant requesting the standing of the above mentioned land, I beg to state that according to the School lands records this quarter-section is recorded as a sale in the name of Mrs. Elizabeth A. Leck of Grassy Lake, Alberta, and there are now owing on the quarter-section as on the 6th July, 1929, the sums of $591.78 principal and $18.85 interest, a total of $610.63, which amount bears interest at the rate of 7% per annum from the above mentioned date to the date of receipt of payment.

It would appear from correspondence on file that Mr. Hart has some interest in this quarter-section, but, of course, he cannot be recognized by the Department as the holder of the land until there is duly filed and registered here an unconditional assignment or quit claim deed from Mrs. Leck to himself.

No Record.

S.E.16-9-14-W.4th.

This was the Licence's homestead, patent to which was issued in his name on the 1st February, 1912. The Liens were registered on the 30th June and 22nd November, 1915.

In a report obtained in 1926 it was stated that the Licence understood he was to make a payment on the N.½-27-6-14-W.4th, also that the Canadian Mortgage and Investment Company held a mortgage on the S.E.16-9-14-W.4th and will not foreclose but have rented it to T. S. Primrose who receives four-fifths of the crop, there being 100 acres cropped.

N.½-27-6-14-W.4th.

The only evidence on file in connection with this land would indicate that it was sold at a School Lands Sale to Samuel E. Dunham on the 6th July, 1909, the only evidence to indicate that the Licence had any interest therein being contained in the above report.

N.E.25-6-14-W.4th.

This quarter-section is recorded as a sale in the name of Mrs. Elizabeth A. Lock of Gleichen, Alta., as School Lands, in connection with which there was outstanding on the 6th July last the sum of $610.63.

In a report obtained in 1927 it was stated that the Licence had 100 acres in crop [illegible] - this -

This would indicate that the Alence had some interest therein.

The Canadian Mortgage Investment Company have applied for an adjournment in connection with the D.".15-9-14-".4th through Mr. Lowe who quotes his reference as No. D-EX-11-60.

Dear Sir:

Re: E½ 27-8-14-W.4th.

Dominion Liens - John Henry Hart
Supplementary to Board Order #2208

The above party obtained the following Dominion Advances giving as security liens on the title to the S.E. 18-9-14-W.4th.

Seed Grain - Feb. 22,1915	$154.35
Fodder - March 17,1915	97.83
Relief - Feb. 22,1915	100.00
	352.18
Interest to Nov.30,1950	618.92
	$ 971.10

The above mentioned Board Order provided that the liens be released from the title to the S.E. 18-9-14-W.4th. A recent search of the title to N.E. 25-8-14-W.4th discl that same stands in the name of an individual other than the debtor, free of liens as it would appear that the debtor never completed the purchase of this parcel with the result that the same cannot be considered as security for the above advances.

The debtor has now approached this office for a compromised settlement of the amount owing and has tendered a sum of Two hundred and fifty ($250.00) dollars for t purposes.

I am advised that the debtor is approximately 55 years of age and in addition to himself must maintain his wife. The E½ 27-8-14-W.4th, title to which stands in t debtor's name, is very sandy and the returns therefrom are insufficient to provide a living for this couple with the result that the debtor works out part of the year to supplement his farm income. The land is situated in a township which has been eligible for awards under the Prairie Farm Assistance Act approximately 50% of the ye since the enactment of that Act and an estimated value of the property at today's pri is Fifteen ($1,500.00) dollars.

As the debtor lost the land in respect of which the advances were originally granted through foreclosure action and as the property now involved is subsequently acquired land, I would recommend that in view of the circumstances of the debtor the offer be accepted, the balance of the account being written off and the liens discha

Re: Account of H. A. Gordon (Deceased)
E½ 29-15-1-W.4th

The matter of an application for an adjustment of indebtedness outstanding against the above mentioned party is referred to you, constituted as a Board to deal with such cases. Having completed an investigation I am now in a position to report as follows:-

In 1915 fodder amounting to $27.20 was advanced to H. A. Gordon on the security of the above mentioned land. No payment has ever been received and the present standing of this account is:-

Principal	Interest	Total
$27.20	$55.84	$83.04

The E½ 29-15-1-W.4th was formerly the homestead and pre-emption entries of the debtor on which security he obtained an advance of fodder in 1915.

According to an Abstract of Title dated the 31st of January, 1956, this half-section of land now stands in the name of a Mr. John William Krassman of Medicine Hat, Alberta, clear of any encumbrance.

As the lien is not registered against the land and there is no further security for our advance, it is recommended that the indebtedness be cancelled.

Dear Sir:

Re: John A. Lindsay. Dominion lien.
S. . 27-6-30-West 4th Meridian.

The above party obtained the following Dominion Advance giving as security a lien on the title to the above land which he at that time owned jointly with Donald I. McCain.

Seed Grain 1913	$1166.30
Int. to Mar. 31/47	269.30
	1437.60

In 1912 McCain & Lindsay purchased the above land from the former owners and obtained title thereto giving as security for the unpaid balance of the purchase price a mortgage in favour of the former owners in an amount of four thousand, two hundred and sixty-six dollars and sixty cents ($4,266.60).

Subsequently McCain purchased the interest of John A. Lindsay in this property giving a mortgage for two thousand and four hundred dollars ($2,400.00) to Lindsay covering the unpaid portion of this purchase. Shortly thereafter McCain sold the land to another individual under an agreement for sale expecting to be able to retire his mortgage and pay the Seed Grain lien given by Lindsay from the instalments due under the agreement.

(continued)...

(His purchaser did not live up to the agreement ...ally McCain found it necessary to pay one hund-...fty dollars ($150.00) for a Quit Claim Deed and ...pay seven hundred dollars ($700.00) for tax arrears.

McCain is getting well along in years and some ...time ago borrowed sufficient on the security of his ...use and furniture to pay up the mortgage to Lindsay ...move same from title to the above land. In 1943 title ...s property was taken by the municipality under the ...ions of the Tax Recovery Act and in 1945 McCain found ...cessary to pay the arrears in full in order to have ... revived in his name.

The estimated value of this quarter section is ...ty-five dollars ($45.00) per acre at today's increased ...ee. From the above it will be noted that McCain and Lindsay gave a mortgage for four thousand, two hundred and sixty-six dollars and sixty cents ($4,266.60) covering the unpaid portion of the purchase price after making a down payment and that McCain gave a mortgage for two thousand and four hundred dollars ($2,400.00) covering the unpaid portion of the purchase price of Lindsay's half interest.

Taking into consideration the money which McCain has already paid for the land it would appear that he has already paid very nearly an amount equal to the full value of the land. In view of the foregoing and the fact that the Dominion lien was not given by the party now interested in the property it would seem that McCain would be entitled to some consideration. He has tendered a sum of two hundred and sixty-eight dollars and thirty cents ($268.30) representing recovery of the full amount of principal together with interest of one hundred dollars ($100.00) and I would recommend that the offer be accepted and the lien released from the title to the above land. As all trace of Lindsay has now been lost there is no possibility of making any further collection on account of this indebtedness and I would further recommend that the balance outstanding be written off.

Yours very truly,

W. Hamblett.

CHIEF COLLECTOR.

The estimated value of this quarter section is forty-five dollars ($45.00) per acre at today's increased price. From the above it will be noted that McCain and Lindsay gave a mortgage for four thousand two hundred and sixty-six dollars and sixty cents ($4,266.60) covering the unpaid portion of the purchase price after making a down payment and that McCain gave a mortgage for two thousand and four hundred dollars ($2,400.00) covering the unpaid portion of the purchase price of Lindsay's half interest.

Taking into consideration the money which McCain has already paid for the land it would appear that he has already paid very nearly an amount equal to the full value of the land. In view of the foregoing and the fact that the Dominion lien was not given by the party now interested in the property it would seem that McCain would be entitled to some consideration. He has tendered a sum of two hundred and sixty-eight dollars and thirty cents ($268.30) representing recovery of the full amount of principal together with interest of one hundred dollars ($100.00) and I would recommend that the offer be accepted and the lien released from the title to the above land. As all trace of Lindsay has now been lost there is no possibility of making any further collection on account of this indebtedness and I would further recommend that the balance outstanding be written off.

GOVERNMENT OF THE PROVINCE OF ALBERTA

ADDRESS REPLY

EDMONTON, ALBERTA

EDMONTON, ALBERTA
May 14, 1947.

Mr. J. W. Judge,
Chairman,
Seed Grain & Relief Adjustment Board,
EDMONTON, Alberta.

Dear Sir:

Re: John A. Lindsay. Dominion Lien.
S.W. 27-46-30-West 4th Meridian.

The above party obtained the following Dominion Advance giving as security a lien on the title to the above land which he at that time owned jointly with Donald I. McCain.

Seed Grain 1915	$168.30
Int. to Mar. 31/47	269.30
	$437.60

In 1912 McCain & Lindsay purchased the above land from the former owners and obtained title thereto giving as security for the unpaid balance of the purchase price a mortgage in favour of the former owners in an amount of four thousand, two hundred and sixty-six dollars and sixty cents ($4,266.60).

Subsequently McCain purchased the interest of John A. Lindsay in this property giving a mortgage for two thousand and four hundred dollars ($2,400.00) to Lindsay covering the unpaid portion of this purchase. Shortly thereafter McCain sold the land to another individual under an agreement for sale expecting to be able to retire his mortgage and pay the Seed Grain lien given by Lindsay from the instalments due under the agreement.

(continued)...

His purchaser did not live up to the agreement and eventually McCain found it necessary to pay one hundred and fifty dollars ($150.00) for a Quit Claim Deed and also to pay seven hundred dollars ($700.00) for tax arrears.

McCain is getting well along in years and some little time ago borrowed sufficient on the security of his town house and furniture to pay up the mortgage to Lindsay and remove same from title to the above land. In 1943 title to this property was taken by the municipality under the provisions of the Tax Recovery Act and in 1945 McCain found it necessary to pay the arrears in full in order to have title revived in his name.

The estimated value of this quarter section is forty-five dollars ($45.00) per acre at today's increased price. From the above it will be noted that McCain and Lindsay gave a mortgage for four thousand, two hundred and sixty-six dollars and sixty cents ($4,266.60) covering the unpaid portion of the purchase price after making a down payment and that McCain gave a mortgage for two thousand and four hundred dollars ($2,400.00) covering the unpaid portion of the purchase price of Lindsay's half interest.

Taking into consideration the money which McCain has already paid for the land it would appear that he has already paid very nearly an amount equal to the full value of the land. In view of the foregoing and the fact that the Dominion lien was not given by the party now interested in the property it would seem that McCain would be entitled to some consideration. He has tendered a sum of two hundred and sixty-eight dollars and thirty cents ($268.30) representing recovery of the full amount of principal together with interest of one hundred dollars ($100.00) and I would recommend that the offer be accepted and the lien released from the title to the above land. As all trace of Lindsay has now been lost there is no possibility of making any further collection on account of this indebtedness and I would further recommend that the balance outstanding be written off.

Dear Sir:

Re: Geo. ... Court.
Agt of ... S-C-21-4.

... Union Liens.

This individual obtained the following advances in 1915 giving as security a lien on part of the above land which subsequently became a charge on the balance of the land quoted.

Dominion relief.

Seed Grain 1915	$131.80
Int. to ... 30/47	137.48
	$269.28
Payments	127.87
	$141.41

The debtor has had a difficult time carrying on and raising a family of 19 children. In 1909 he first gave a mortgage on his land and subsequently gave other mortgages which he was unable to satisfy for a number of years, in fact one of the mortgages is still unsatisfied although he is making every effort possible to clear these liabilities.

In 1943 his tax arrears increased to such an amount that his land was in jeopardy but with assistance from the mortgage company tax consolidation agreements were entered into and are being kept in good standing.

From abstracts of title obtained it appears that this debtor at no time had any interest in one part of the N.E. S-C-21-4 containing 52.6 acres and the assessed value of the balance of the land is

approximately three thousand and three hundred dollars ($3,300.00) which indicates that in spite of the long struggle this individual has had to place his affairs in a fair financial position he has not succeeded in the long period of time he has been farming in building himself up any large assets.

The sum of seventy-four dollars and fifty cents ($74.50) representing the unpaid portion of the principal has been tendered in full settlement of this lien and the offer is supported by the recommendation of the council of the local Municipal District who are of the opinion that consideration should be granted this individual.

Taking the sum now offered into consideration together with the total of previous payments it will be found that a total sum approximately sixty dollars ($60.00) in excess of the original advances will have been recovered.

In view of the information set out above I would recommend that the offer now made be accepted, the balance of the account being written off and the lien discharged.

R.L. 1-77-5-W.6th

The matter of an application for an adjustment of indebtedness outstanding against the above mentioned party is referred to you, constituted as a Board to deal with such cases. Having completed an investigation I am now in a position to report as follows:-

In 1920 seed grain amounting to $25.00 was advanced to Mrs. C. Houle on the security of the above mentioned land. A payment of $10.00 was received in 1921 and applied to the principal and interest. The present standing of this account is:-

Principal	Interest	Total
$16.80	$40.85	$57.65

River Lot 1-77-5-W.6th was formerly the homestead entry of the debtor on which security an advance of seed grain was obtained in 1920.

According to an Abstract of Title dated the 13th of February, 1956, this land is now registered in the name of a Mr. Lawrence Knezevich of Spirit River, Alberta, clear of any encumbrance.

As the lien is not registered against the land and there is no further security for our advance, it is recommended that the balance of the indebtedness be cancelled.

W.J. Taylor.

Ottawa, 20 March, 1956.

The undersigned member of the Seed Grain Advisory Board, having taken into consideration the attached report, approves the settlement outlined therein and does hereby recommend:-

1. That the indebtedness, which is more particularly described in the attached report, be cancelled without the requirement of any payment.

MEMORANDUM:-

Mr. Hume.

Re. N½-35-28-14-W.-4th-Meridian.

This half-section was held under entry as a South African Volunteer Scrip by Mr. E. A. Devitt.

Cancellation proceedings were pending against the entry. Mr. Devitt was given permission to have his entry transferred to another quarter-section, and under date of the 14th of June last, the Agent at Edmonton reported that he had selected the South half of 4-60-13-W.-4th-Meridian, and entry had been granted to him for the latter mentioned land.

In this connection please see the Deputy Minister's memorandum of the 2nd of August last, on file #1766434, having reference to this matter. At that time it was not known that entry had been secured, such papers relating to same have only been brought to the attention of this Branch on the 18th instant.

In view of the fact that the entry has now been transferred, I see no reason why the original entry should not be cancelled and the applicant for cancellation allowed the usual period within which to secure entry for one of the quarter-sections, and the other quarter-section might be posted to become available for entry in the usual manner.

MEMORANDUM.

Mr. Hume.

N½ of 35--28--14, W.4th.M.

This land was formerly held by Mr. E. A. Devitt, who is indebted to the Department for seed grain and relief amounting to $122.35.

The land was found to be unsuitable for homesteading purposes and he was allowed to transfer his scrip. He selected the S½ of 4-62-13, W.4th.M., (in the Edmonton district) and his entry has been transferred to that half-section.

The Agent was instructed to post the North ½ of 35--28--14, W.4th.M. (in the Calgary district) for grazing purposes. The Agent now asks whether, in view of the seed grain relief liens registered against it, it is to be sold in accordance with the circular letter of the 2nd ultimo, or whether the indebtedness will follow Mr. Devitt and become a charge against his present location, to which his scrip has been transferred.

I assume the indebtedness should be charged against the land Mr. Devitt now holds, and that the Agent should be instructed to post the N½ of 35-28-14, W.4th.M., for grazing purposes as instructed, but I am submitting the case as it is no doubt one for the Controller of Revenue or Controller of the Land Patents Branch to decide upon.

ACTION
JAN 2

Ottawa, 29th December, 1917.

Sir;-

I beg to acknowledge the receipt of your letter of the 14th instant in reference to your Volunteer Bounty Land Grant, the south half of Section 4, Township 62, Range 1[illegible], West of the 4th Meridian. In reply I may say that there is no provision in the regulations whereby you could secure Letters Patent for this half-section without completing the required settlement duties. The regulations provide that the entrant for a Volunter Bounty Land Grant becomes entitled to patent for same by residing thereon in a habitable house at least six months in each year during a term of three years and by breaking a total of at least 30 acres of which 20 acres must be cropped before applying for patent; a reasonable proportion of cultivation duties to be performed in each of three years.

I might add, however, that an Order-in-Council was passed on the 28th February last providing that entrants who are employed as farm labourers within the Dominion of Canada during the year of 1917, may be allowed the period of such employment as a like period of residence, in connection with their respective entries subject to certain conditions.

The provisions of the Order-in-Council referred to are set forth on Pages 26, 27 and 28 of the enclosed Hand-Book. I also enclose, herewith, a form of declaration and if you wish to take advantage of the Order-in-Council you should have same filled in and properly executed before a person authorized to administer an oath and forwarded to the Agent of Dominion Lands at Edmonton.

ORDER IN COUNCIL OF 7th MARCH, 1918.

The time of employment to be counted as residence duties must be subsequent to the actual date of entry in every case. No settler claiming the benefit of the provisions of the Order in Council of the 28th February, 1917, and of these regulations, shall be given credit in connection with his entry, by reason of his having been engaged in farming operations during the years 1917 and 1918, for more than two terms of residence of six months each, and any settler who in this manner credits in connection with his entry shall be required to show, before his residence duties shall be deemed complete, that he has performed six months' actual residence either on the land held by him under entry, or in the vicinity thereof in accordance with the provisions of the Dominion Lands Act and regulations thereunder.

The provisions of this Order shall not apply to unperfected proxy entries nor to any case in which the entrant is engaged in any other employment than actual farm labour.

Within thirty days after the term of employment has expired and in any case, not later than the 1st of February, 1919, the entrant shall file with the local agent for the district sworn evidence satisfactory to the Minister of the Interior, of the time actually spent on farm work.

In the event of the cancellation of any entry for default in the performance of the conditions thereof, nothing in this Order shall be held to confer any right or claim upon the part of holder of any such entry who, being engaged in farm labour as aforesaid, has failed, prior to the date of cancellation, to notify the Agent of Dominion Lands for the district of the fact of his being so engaged.

The entry of any person complying with the foregoing provisions shall not, during the period of his employment on farm labour, be liable to cancellation by reason of his failure to perform the cultivation required in connection with his entry.

Notwithstanding anything to the contrary in the Dominion Lands Act or any amendments thereto, the cultivation required to earn a patent where the entrant obtains the benefit of this regulation, may be performed in two years instead of three. Settlers claiming the benefit of the similar provisions with respect to cultivation, under the Order in Council of the 28th February, 1917, referred to, shall not be entitled to further reduction of the cultivation requirements in connection with their entries by reason of the provisions of this paragraph.

In any case in which the Minister of the Interior is not satisfied as to the *bona fides* of the case, he is authorized to withhold the benefits provided for by the foregoing.

Re - Edwin A. Devitt
S.½ 4-62-13 W. 4th M.

In 1915 the Department advanced Edwin A. Devitt relief $13.60 and seed grain $108.75, taking as security lien against the N.½ 35-28-14 W. 4th.

In 1916 this indebtedness was transferred from the N.½ 35-28-14 W. 4th, the abandoned script of Mr. Devitt, to his new entry, the S.½ 4-62-13 W. 4th M.

The Department of Lands and Mines, Edmonton, advises that the S.W. 4-62-13 W. 4th is vacant, and on the 16th October, 1934, J. Klymiuk secured second homestead entry for the S.E.¼ 4-62-13 W. 4th M.

The indebtedness with interest computed to 31st March, 1943, as follows:

	Principal	Interest	Total
1915 Bal.	$ 102.40	$ 126.80	$ 229.20

Should the Registrar be asked to register the liens against the S.½ of 4-62-13 W. 4th.

Re: Account of Edwin A. Devitt,
S.E.¼ 4-62-13-W4.

Dear Sir:

During the year 1915 while homesteading the above mentioned land, Mr. Edwin A. Devitt received seed grain and relief as a loan from the Government of Canada. The loan was secured by a lien on the title of the land, of which we understand you are now the registered owner. No doubt you will be interested in settling the debt and having the title of your land cleared. The amount outstanding is $295.80 of which $102.40 is principal and $193.40 is interest.

The Seed Grain Advisory Board was set up by the Government of Canada some years ago to investigate seed grain, fodder and relief accounts and in cases where the amount of the indebtedness is large compared to the value of the land or other circumstances exist, to recommend a reduction of the debt.

You may feel that there are extenuating circumstances in your case. If so, you should write to the undersigned giving full details which will be presented to the Seed Grain Advisory Board for consideration. The Board will then review the account and you will be advised of the minimum settlement required to pay off the liens.

Yours very truly,

G.K. LeCapelain,
Chief, Lands Division.

Re: Account of Edwin A. Devitt
S½ 4-62-13-W.4th

The matter of an application for an adjustment of indebtedness outstanding against the above mentioned party is referred to you, constituted as a Board to deal with such cases. Having completed an investigation I am now in a position to report as follows:-

In 1915 seed grain and relief amounting to $122.35 were advanced to Edwin A. Devitt on the security of the N½ 35-28-14-W.4th. In 1916 this indebtedness was transferred from the N½ 35-28-14-W.4th, the abandoned script of Mr. Devitt, to his new entry the S½ 4-62-13-W.4th. A payment of $40.00 was received in 1918 and applied to the principal and interest. The present standing of this account is:-

Principal	Interest	Total
$102.40	$193.40	$295.80

The S½ 4-62-13-W.4th was formerly the homestead and pre-emption entries of Edwin A. Devitt whose entries were cancelled on the 2nd of June, 1921. The S.E. 4-62-13-W.4th was later re-entered upon by a Mr. John Klymiuk to whom patent was issued on the 13th of December, 1944, subject to the indebtedness of the former entrant; while the S.W.¼ 4-62-13-W.4th is still Crown land held in the right of the Province.

This land is of very low assessed value and has never been revenue producing sufficiently to enable the repayment of the liens. In 1927 the land was described by the homestead inspector as having no improvements on it of any value.

In reply to our questionnaire of the 15th of May, 1952, the District Administrator of Local Improvement District No. 102, Department of Municipal Affairs, Edmonton, Alberta, advised us that the S.W.¼ 4-62-13-W.4th had an assessed value of only $440.00 and that there was an accumulation of $25.19 arrears of taxes outstanding against the land; while the S.W.¼ 4-62-13-W.4th was still Crown land held in the right of the Province and was under the jurisdiction of the Department of Lands and Forests, Province of Alberta, Edmonton, Alberta.

The information obtained indicates that the land is such that it no longer offers any security of value for our liens. Under the circumstances, it is recommended that the balance of the indebtedness be cancelled and the liens discharged.

W. J. Taylor.

OTTAWA, 11th August, 1926.

Sir,-

N.E. ¼ Sec. 9 Tp. 58 Rge. 5 West 4 Mer.

Referring to your application for the privilege of taking up a second homestead, I beg to inform you that during the recent session of Parliament an amendment to the Dominion Lands Act was passed granting those settlers, who had obtained patent, or who had become entitled thereto on or before the 1st January, 1925, the right to make a second homestead entry on the usual homesteading terms.

Therefore, if you are the person who obtained patent for the quarter section above described, and provided this is the only land for which you have obtained homestead patent, you are entitled to another homestead, and the presentation and surrender of this letter to any Agent or Sub-Agent of Dominion Lands will be his authority for granting you homestead entry for any vacant and available quarter section of Dominion Lands on the usual terms, provided he is aware of no reason to the contrary.

I may further inform you that the holder of an unpatented pre-emption or purchased homestead entry will not be permitted to abandon the same in his own favour or in favour of a relative for the purpose of making entry for the land as a second homestead.

If you are indebted to this Department for seed grain or relief, the land taken under the authority of this letter will be subject to such indebtedness.

Your obedient servant,

Acting Commissioner
of Dominion Lands.

RE: Account of John Hillebrant
N.E. 9-58-5-W.4th

The matter of an application for an adjustment of indebtedness outstanding against the above mentioned party is referred to you, constituted as a Board to deal with such cases. Having completed an investigation I am now in a position to report as follows:-

In 1920 seed grain amounting to $80.65 was advanced to John Hillebrant on the security of the above mentioned land. Payments of $15.00 and $30.00 were received in 1925 and 1926, respectively, and applied to the principal and interest. The present standing of this account is:-

Principal	Interest	Total
$68.34	$144.23	$212.57

Patent was issued in the name of John Hillebrant for the N.E. ¼ 9-58-5-W.4th on the 28th of August, 1922.

According to an Abstract of Title dated the 13th of February, 1956, this quarter-section of land now stands in the name of a Mr. John Ockermen of Lindberg, Alberta, clear of any encumbrance.

As the lien is not registered against the land and there is no further security for our advance, it is recommended that the balance of the indebtedness be cancelled.

W.J. Taylor.

AUG 13 1928

Referring to your application for the privilege of taking up a second homestead, I beg to inform you that during the recent session of Parliament an amendment to the Dominion Lands Act was passed granting those settlers, who had obtained patent, or who had become entitled thereto on or before the 1st January, 1925, the right to make a second homestead entry on the usual homesteading terms.

S.

Therefore, if you are the person who obtained patent for the quarter section above described, and provided this is the only land for which you have obtained homestead patent, you are entitled to another homestead, and the presentation and surrender of this letter to any Agent or Sub-Agent of Dominion Lands will be his authority for granting you homestead entry for any vacant and available quarter section of Dominion Lands on the usual terms, provided he is aware of no reason to the contrary.

I may further inform you that the holder of an unpatented pre-emption or purchased homestead entry will not be permitted to abandon the same in his own favour or in favour of a relative for the purpose of making entry for the land as a second homestead.

If you are indebted to this Department for seed grain or relief, the land taken under the authority of this letter will be subject to such indebtedness.

Your obedient servant,

Acting Commissioner
of Dominion Lands.

Roy Wagner, Esq.,

Re: Account of Roy Wagner,
S.W.¼ 34-54-1- W4.

Dear Sir:

During the year 1920 while homesteading the above mentioned land, Mr. Roy Wagner received seed grain as a loan from the Government of Canada. The loan was secured by a lien on the title of the land of which we understand you are now the registered owner. No doubt you will be interested in settling the debt and having the title of your land cleared. The amount outstanding is $526.71 of which $150.00 is principal and $376.71 is interest.

The Seed Grain Advisory Board was set up by the Government of Canada some years ago to investigate seed grain, fodder and relief accounts and in cases where the amount of the indebtedness is large compared to the value of the land or other circumstances exist, to recommend a reduction of the debt.

You may feel that there are extenuating circumstances in your case. If so, you should write to the undersigned giving full details which will be presented to the Seed Grain Advisory Board for consideration. The Board will then review the account and you will be advised of the minimum settlement required to pay off the lien.

Yours very truly,

O.K. LeCapelain,
Chief, Lands Division.

Re: Account of Roy Wagner
S.E.¼ 32-55-1-W.4th &
S.W.¼ 34-54-1-W.4th

The matter of an application for an adjustment of indebtedness outstanding against the above mentioned party is referred to you, constituted as a Board to deal with such cases. Having completed an investigation I am now in a position to report as follows:-

In 1920 seed grain amounting to $150.00 was advanced to Roy Wagner on the security of the above mentioned land. No payment has ever been received and the present standing of this account is:-

Principal	Interest	Total
$150.00	$376.71	$526.71

Patent was issued in the name of Roy Wagner for the S.W.¼ 34-54-1-W.4th on the 19th of March, 1921, subject to the 1920 lien. The S.E.¼ 32-55-1-W.4th was the second homestead entry of the debtor whose entry was later cancelled and the land is still unalienated Crown land held in the right of the Province.

These two quarter sections of land are of very low assessed value and have never been revenue producing sufficiently to enable the repayment of the lien.

In reply to our questionnaire of the 15th of November, 1952, the Secretary-Treasurer of Municipal District No. 72, Vermilion, Alberta, advised us that these two quarter sections have a present day value of only $500.00; that the S.W.¼ 34-54-1-W.4th was now assessed in the name of a Mr. C. W. Forbes of Onion Lake, Alberta, who purchased this property from the Municipal District in 1951, the previous owner Roy Wagner having lost the land for taxes several years ago and that the S.E.¼ 32-55-1-W.4th now stands in the name of the Crown in the right of the Province of Alberta.

The information obtained indicates that the land is such that it no longer offers any security of value for our lien. Under the circumstances it is recommended that the indebtedness be cancelled and the lien discharged.

Re: Account of Fred Rinke,
SE 31-16-1-W4.

Dear Sir:

During the years 1919 and 1920 while homesteading the above mentioned land, Mr. Fred Rinke received seed grain as a loan from the Government of Canada. The loan was secured by a lien on the title of the land of which we understand you are now the registered owner. No doubt you will be interested in settling the debt and having the title of your land cleared. The amount outstanding is $726.20 of which $205.40 is principal and $520.80 is interest.

The Seed Grain Advisory Board was set up by the Government of Canada some years ago to investigate seed grain, fodder and relief accounts and in cases where the amount of the indebtedness is large compared to the value of the land or other circumstances exist, to recommend a reduction of the debt.

You may feel that there are extenuating circumstances in your case. If so, you should write to the undersigned giving full details which will be presented to the Seed Grain Advisory Board for consideration. The Board will then review the account and you will be advised of the minimum settlement required to pay off the liens.

Yours very truly,

C.K. LeCapelain,
Chief, Lands Division.

Fred Rinke - File 3872545

Mr. Rinke has given me your letter of the 23rd of February for reply.

Mr. Rinke is 62 years of age and has retired from active farming. He has rented the farm to his son and receives a one-half share of the crop. Due to the fact that he is unable to sell his wheat, Mr. Rinke is not in a position to make any large cash payments.

Would you kindly advise me if your Department would be willing to accept the sum of $205.40 as payment in full of the liens received by Mr. Rinke from the Government of Canada.

Yours truly,

RE: S.E. 31-16-1-W.4th

We wish to thank you for your letter of the 6th of April, 1956, informing us of the extenuating circumstances which you believe warrant a reduction in the account of Fred Rinke charged against the above land. A recent Abstract of Title shows that in addition to the Federal liens there are three liens for advances made jointly by the Provincial and Federal Governments.

As we believe Mr. Rinke will wish to have a clear title, we are writing to Mr. S. Cherkas, Chief Collector, Department of Municipal Affairs, Edmonton, Alberta, so that the Joint account may be included in whatever settlement is proposed. We expect that you will hear from Mr. Cherkas within the next few days.

Yours very truly,

RE: S.E. 31-16-1-W.4th

We are enclosing a copy of a letter received from Alex Y. Spivack concerning the account of Fred Rinke. A recent Abstract of Title shows that in addition to our liens for $60.00 and $145.40 there are Joint-Provincial and Federal liens for $68.75, $30.00 and $28.80 which we have registered in the name of the Crown.

As we believe that the present owner Mr. Rinke would like to obtain a clear title, it would be appreciated if you will write to him with a view to settling both our claims.

Yours very truly,

Recently we received a letter from Mr. W. D. Goehring, Insurance Agent, Schuler, Alberta, concerning the account of Fred Rinke charged against the above land.

Mr. Goehring has asked that he be advised as to the status of our liens Nos. 5720 C.V. and 5956 C.V. The registration numbers refer to liens in the amounts of $60.00 and $145.40 (as per statement on file at your office) and also joint liens for $68.25, $39.00 and $28.80.

In view of the Province's interest in this indebtedness, we would like you to get in touch with Mr. Goehring and try to arrange an equitable settlement. For your further information, we are forwarding a copy of a letter received from Mr. Alex Y. Spivack last year which may be of assistance to you.

The Seed Grain and Relief Adjustment Board appointed under Order P.C. 1752, dated November 23rd, 1955, having taken under consideration the attached report of the Chief Collector of the Collection Branch, Department of Municipal Affairs numbered 11,398, APPROVES the settlement outlined therein and DOES HEREBY RECOMMEND:

1. THAT, the Minister apportion and adjust the indebtedness more particularly described in the attached report, so that on application of the sum of Two Hundred and Five dollars and Forty cents ($205.40) to the credit of the Dominion Advances the debt will be paid.

2. THAT, the Minister apportion and adjust the indebtedness more particularly described in the attached report, so that on application of the sum of One Hundred and Thirty-Six dollars and Five cents ($136.05) to the credit of the Joint Relief Advances the debt will be paid.

The attached report, with recommendations of the Chief Collector of the Collection Branch, Department of Municipal Affairs, dated November 26th, 1957, has been submitted to the Agricultural Relief Adjustment Board, and in the opinion of the Board the proposed adjustment is fair and reasonable and it is desirable that it be accepted.

In accordance, therefore, with the provisions of the Agricultural Relief Adjustment Act, Revised Statutes of Alberta, 1942, IT IS ORDERED that the recommendations for the adjustment and settlement of the said account contained in the said report, be and the same are, hereby APPROVED and ACCEPTED.

CHAIRMAN, Agricultural Relief Adjustment Board.

Dear Sir:

Re: E.½. 31-16-1-W. 4th Meridian,
Fred Rinke,
Dominion & Joint Relief Advances.

The above named debtor obtained the following advances for which Liens stand registered against the Titles to the E.½. 31-16-1-W. 4th Meridian:

Dominion Advances:

Seed Grain (April 8th, 1919)	$ 60.00
Seed Grain (May 3rd, 1920)	145.40
	205.40
Interest to May 31st, 1957	537.58
Total	$742.98.

Joint Relief Advances:

Relief (March 26th, 1920)	$ 28.80
Relief (May 3rd, 1920)	39.00
Relief (April 4th, 1920)	68.25
	136.05
Interest to May 31st, 1957	352.61
Total	$488.66.

(Continued on Page 2)

An Agent acting on behalf of the debtor communicated with this office and offered the sum of Two Hundred and Fifty ($250.00) dollars as a full compromise settlement of both accounts. After further correspondence the offer was increased to Three Hundred and Forty-One Dollars and Forty-Five Cents ($341.45). This amount has been received.

Mr. Hinke is 63 years old and has retired from active farming due to ill health. The farm is rented to his son for one-half share of the crop. Difficulty in marketing the crop makes it impossible for the debtor to offer a larger settlement as he depends on the crop share money to a large extent for his livelihood. The payment received is equal to the principal advanced on both accounts.

Taking these circumstances into account it is my opinion that the offer made should be accepted. I would, therefore, recommend that upon application of the sum of Two Hundred and Five Dollars and Forty Cents ($205.40) to the Dominion account and One Hundred and Thirty-Six Dollars and Five Cents ($136.05) to Joint Relief both accounts be adjusted so that they will stand paid in full and the corresponding Liens be released.

Yours very truly,

A. R. Duff,
Chief Collector,
Tax Recovery Branch.

REF Account of Alfred Peterson
N.W. ¼ 19-24-3-W.4th

The matter of an application for an adjustment of indebtedness against the above mentioned party is referred to you, constituted as a Board to deal with such cases. Having completed an investigation I am now in a position to report as follows:

In 1922 seed grain amounting to $55.25 was advanced to Alfred Peterson on the security of the above mentioned land. No payment has ever been received and the present standing of this account is:-

Principal	Interest	Total
$55.25	$131.24	$186.49

The N.W. ¼ 19-24-3-W.4th was formerly the homestead entry of the debtor whose entry was later cancelled and the land is still unalienated Crown land held in the right of the Province.

According to an Abstract of Title dated the 14th of February, 1956, this quarter section of land is shown as unpatented Crownland held in the right of the Province, clear of any encumbrance.

As the lien is not registered against the land and there is no further security for our advance, it is recommended that the indebtedness be cancelled.

Sir,

Re S.W.¼ 14--18--3 W. 4th M.

Referring to your pre-emption entry for the above land, I am to advise you that the Department has received a Homestead Inspector's report which indicates that you may have completed sufficient settlement duties to justify an application for patent for this land. In this connection I am to point out that in case you are not in a position to complete payment in full of the purchase price of this land, it is not necessary to pay for the land before applying for patent. Your application for patent if otherwise satisfactory may be held on file until the payments are completed and you might secure a Certificate of Recommendation which would enable you to mortgage or assign your interest in the land for the purpose of securing money to complete the purchase price.

You are requested to appear with your two witnesses before the Agent of Dominion Lands at Lethbridge or the Sub-Agent for your district within sixty days from this date and make application for patent or in any case satisfy the Agent definitely as to your intentions in this regard.

Dear Sir:

Re: SE 14-18-3-W.4th.

Title to the above land is subject to seed grain bonds dating from May 1919 in the amount of $118.25 and from April 1920 in the amount of $114.72. It has been ascertained that the 1920 bond was in respect of a joint relief advance, the land being unpatented at that time. John Schaufele was the debtor in this instance.

No record can be found in our ledger of the bond in the amount of $118.25 and it may be that this was in respect of straight dominion advance. Your advice in this connection would be appreciated and if this was a straight dominion advance, kindly forward the usual up-to-date statement.

Dear Sir:

Re: S.E. 14-1½-3-W.4th.

We have your letter of the 6th of February, 1952, informing us that there are Dominion liens for $118.25 and $114.72 registered against the above land in the name of J. Schaefele. We also have an inquiry from Messrs. Laidlaw, Niblock and Stone asking if it will be in order for them to deal directly with your office in settling this account. Our files show that there are both Federal and Joint accounts charged against this land. The Federal account is for $118.25 and the Joint account includes the lien for $114.72 which you mentioned in your letter. The present standing of these accounts is as follows:-

	Principal	Interest	Total
Federal	$ 118.25	$ 272.30	$ 390.55
Joint	$ 161.03	$ 278.21	$ 439.24

In view of your interest in the Joint account we would suggest that you write to Messrs. Laidlaw, Niblock and Stone, Barristers, Solicitors, etc., Medicine Hat, Alberta, and advise them as to what you consider to be an equitable settlement.

Dear Sir:

Re: Johannes Schaufele
S.E. 14-18-3-W.4th.
Your files [redacted],2418002 and 3939341

I wish to acknowledge with thanks receipt of your letter of the 1 th instant giving information regarding the federal account. Apparently there is now a desire on the part of some individual to remove the liens from the title to the above land and I am taking up with Messrs. Laidlaw, Niblock and Stone, Barristers, etc of Medicine Hat, the question of settlement of both the federal and the joint relief advances.

The balance quoted in respect to the joint relief advances in your letter does not agree with that appearing in our records and the following is a statement of the account as it appears in our ledger:

April 12,1920		$114.72
April 7,1922		21.00
		135.72
Interest to March 31/52		300.73
		436.45
Dec.7/23 on A/C Interest	$15.00	65.00
Oct.21/29 " " "	50.00	
		371.45

It would be appreciated if you would advise me as to particulars of the discrepancy between your records and those in this office in respect to the joint account. I might advise that the only liens which appear on the title to the above land are those in the amount of $114.72 and $118.25 in the name of the Crown and one in the amount of $21.00 in the name of the province.

This will acknowledge your letter of the 22nd of February, 1952, informing us that your account for the Joint indebtedness charged against the above land in the name of Johannes Schaufele did not agree with ours. On checking our account we find that there is an additional advance for fodder in the amount of $55.00 which we included in our statement. Apparently this lien was taken on the security of the S.W. 19-17-1-W.4 and was only registered against that particular quarter section. This would account for the difference between your figures and ours. In dealing with the present owners we suggest that you should use the statement which you have given us in your letter.

Dear Sir:

Re: Johannes Schaufele

Dominion and Joint Relief Advances.

The above party obtained the following Federal and Joint Relief Advances giving as security liens on the title to the above land.

Dominion Advance	May 5th,1919		$118.25
	Interest		272.30
			390.55
Joint Relief	April 12,1920		$114.72

Oct.21/29	" " "	50.00	65.00
			371.45

This office has been approached by solicitors in behalf of the debtor requesting a compromised settlement of these advances. I am advised that the debtor who is approaching 60 years of age finds it necessary to terminate his farming operations owing to ill health. He is trading the above land for another parcel on which there is more cultivation and which he hopes will produce a greater income. He is placing his son on the new farm in anticipation of being able to realize sufficient therefrom to maintain himself.

The debtor has been farming the above land since 1918 and as is common in that part of the province has experienced an unusually large number of years which produced little or no crop as a result of drought and is accordingly not in a very strong position financially. As evidence of the climatic conditions I would point out that this township has been eligible for awards under the Prairie Farm Assistance Act in 10 years out of the 12 in which awards have been granted.

As evidence of the value of the land involved same is assessed at Seven Hundred and forty dollars ($740.00) for taxation purposes. The son has provided the sum of Two hundred dollars ($200.00) which is tendered in full settlement of the above advances and in my opinion this is a fair and reasonable settlement. I would recommend that of the sum tendered the principal amount of the Federal Advances, One hundred and eighteen dollars and twenty-five cents ($118.25) be applied and the balance of Eighty-one dollars and seventy-five cents ($81.75) be applied on the Joint Relief Advances, the balance of both accounts then being written off and the liens discharged.

Attention is drawn to the fact that a Seed Grain Bond in the name of the Crown was registered as security for a portion of the Joint Relief Advances in the amount of One hundred and fourteen dollars and seventy-two cents ($114.72) and that if this settlement is approved of, discharge of this registration together with the Bond registered as security for the Dominion Advances must be issued by the Federal Authorities.

Dear Sir:

Will you kindly supply further information as to the releases contained herein as we do not seem to have any records as to the indebtedness of the following parties:

1. Percival N. Duncan - N.E. 18-25-1[illegible]-4, [illegible] is listed as Crown land clear of encumbrances.

2. Howard E. Dunning - S.W. 22-32-4-4, a Grant to this land issued to Charles R. Wilson July 30, 1935 but was subsequently transferred to the Dept. of Lands & Mines thru tax forfeiture.

3. Lemuel G. Charman - N.W. 21-26-1-4, [illegible] Grant issued to Benjamine H. Hubele 14 January 1935 of this land, who is still the registered owner.

4. Matthias O'Reilly - S½ 18-27-11-4. The amounts of the Liens in your release do not cover the amounts and we have recorded, as noted on enclosed release.

---PART TWO---

5. Charles F. Kemrle (Kemble) N.E. 6-6-8-4. Release not enclosed. This land is encumbered as follows, S.G. Bond 72735 Charles F. Kemple to Crown registered as 5171 B.U.

$68.28	int.	from 5 January	1920.
70.25	"	" 27 March	1920.
84.88	"	" 29 October	1920.
111.90	"	" 20 December	1919.

S.G. Bond $27.36. Registered as 5172 B.U. for 27.60. The amounts of $27.60 - $68.28 - $86.25 have been withdrawn but we await your further direction as to the amounts of $84.88 and $111.90.

6. Johannes Schaufele - S.E. 14-18-3-4-(not enclosed). The Boards recommendation covered Federal advance of $118.25 and Joint Provincial and Federal advance of $135.72, but the authorization was for the release of $118.25 only. The withdrawal for the Provincial Lien in the sum of $21.00 was registered August 4, 1952. This now leaves the title encumbered only by S.G. Bond 71811 - Johannes Schaufele to Crown 114.72 interest 7%, 12 April 1920 - 3695 C.V. If in order may we have a release of this Bond.

Dear Sir:

Re: Dominion Liens.

We wish to acknowledge your letter of August 6, 1952, concerning the discharges of certain Dominion liens. It would appear that no further action is to be taken re the accounts of Percival Duncan, Howard K. Dunning and Lemuel G. Chapman as these liens are not registered. With reference to the other accounts you have mentioned we might say that we have already forwarded the amended release of Matthias O'Reilly for SE 18-27-11 W.4., and we are enclosing herewith the release of Charles F. Temple for the NE 6-6-8 W.4., with the additional liens recorded on it. Authority is also being given to the Provincial Government to release the Joint Provincial and Federal liens in the name of Johnannes Schaufele charged against the SE 14-18-3 W.4. We trust that this will enable you to complete the withdrawal of the liens concerned.

Date of entry 12th October, 1922

I beg to call your attention to the fact that this entry is now over five years old. Please take ordinary cancellation proceedings at once on Form 334 on the ground of failure to apply for patent. On the expiry of 60 days from the date of your notice, if the entrant has not been heard from, an Inspector's report should be ordered.

I beg to draw your attention to your promise made to Inspector Newton to make payment of your relief account amounting to $40.00, with interest at 5% from the 10th May, 1915, to the date of payment, just so soon as you had completed a deal for the sale of certain land.

Re: N.W.¼ 28-28-9-W. 3rd Mer.

In connection with the Relief Indebtedness against the above lands amounting to $67.30 with interest on $40.00 at 5% from the 31st of March last to date of payment it was reported by Mr. Inspector Newton that you were negotiating the sale of the S.W. of 33-73-10-W. 6th M. and expected shortly to be able to settle this amount. The Inspector stated that you were also renting the W.½ 16-78-4-W. 6th Mer.

As this amount has now been owing a considerable time it is considered you should make a special effort to settle same, and I should be glad to receive the amount within 30 days, or at least a substantial payment on account together with a letter from you setting forth what you will be able to do in the matter of liquidating this indebtedness.

Memorandum:-

Mr. W.S. Gliddon,
Asst. Controller Land Patents Branch.

Re - S.½ 21-19-10-W3rd.

Kindly note correspondence immediately hereunder between this office and R.J. McClelland, Barrister of Herbert, Saskatchewan, and the Registrar at Swift Current, from which it is inferred that Liens for $112.50 and $20.00 given in favour of the Department by J.J. Hiebert still cloud title to the above described half-section.

In this connection I would advise you that in the beginning of 1922 the removal of the Hiebert Liens from title to the half-section was taken up with the Department by Mr. McClelland, and on receipt of a substantial payment on account of the indebtedness it was decided to remove all Liens covering this account from title to the S.½ 21-19-10-West 3rd Meridian.

The Registrar at Swift Current was authorized under date of April 3rd, 1922, to remove the Liens for $565.00, $244.50 and $200.00 from this half-section, and these amounts included the Liens for $112.50 and $20.00 which still appear against title evidently due to the fact that they were registered individually.

I am, therefore, forwarding the files to your Branch for further action.

No. 13624

Mr. J.T. Judge,
Chairman,
Seed Grain and Relief Adjustment Board,
Edmonton, Alberta.

Dear Sir:

Re: John Howard Kelly.
NE 24-50-7-5,SE 14-51-6-5.
Dominion Advances.
Supplementary to Board Order No.7670.

The late John Kelly obtained a Dominion Seed Grain Advance in 1915 in the amount of fifty-six dollars and eighty cents ($56.80). Payments totalling fifty-five dollars ($55.00) have been made and there is presently outstanding a balance of fifty-seven dollars and thirty-five cents ($57.35) including accrued interest to March 31,1939. As security liens were registered on the above land.

Title to the SE 14-51-6-5 was issued in the name of the debtor but the debtor's entry was cancelled in respect of the NE 24-50-7-5 and this latter parcel accordingly no longer represents security for the advances.

The debtor is now deceased and a son Howard Kelly holds title to the larger portion of the SE 14-51-6-5 containing 149 acres more or less.

The son some time ago sold one acre of the above quarter for the sum of thirty-seven dollars ($37.00). The purchaser cleared the one acre and erected a public skating rink thereon at a cost of somewhat more than three hundred dollars ($300.00). That individual has now sold this fraction of the quarter for the sum of three hundred and fifty dollars ($350.00) and finds it necessary to deliver a clear title thereto. He approached this office through his solicitor with a view to having the lien released.

In view of the small amount owing, this Branch deemed it advisable to endeavour to arrange settlement of the full account and has written the son requesting that he arrange settlement of the account in order that the title to the one acre may be clear but no reply was received. A Departmental Inspector called at his place of residence but found that he was away working in another territory and was unable to contact him.

Cont.

Cont.

The solicitor handling this matter has again contacted this office and advised that one of the individuals involved in the trans-actions covering the one acre is now deceased and that the presence of his lien on the fraction is seriously hindering the pro-bating of the Estate and have requested early action.

The value of the balance of the quarter still remaining in the name of Howard Kelly was taken up with the Municipality who advised that the fair value of the land exclusive of all improvements would be two thousand, five hundred and eighty dollars ($2580.00) while tax arrears amounted to two hundred and sixty dollars and forty-seven cents ($260.47). It appears that there are certain buildings on the property which would be of considerable value as the property is immediately adjacent to the hamlet of Tomahawk and certain commercial establishments have been erected thereon.

As the party who finds it necessary to remove the lien from the one acre in question will suffer some loss in respect of this property after paying the expenses of transfer and as the account is relatively small and amply secured, I would recommend that the lien be released from the small fraction involved as described in title number 55-V-93, the account being retained as a charge on the major portion of the quarter which still stands in the name of Howard Kelly.

Yours very truly,

CROWN COLLECTOR.

BOARD ORDER
No. 18621

June 10,1949.

Mr. J.T. Judge,
Chairman,
Seed Grain and Relief Adjustment Board,
Edmonton, Alberta.

Dear Sir:

Re: John Howard Kelly.
NE 24-50-7-5,SE 14-51-6-5.
Dominion Advances.
Supplementary to Board Order No.7870.

The late John Kelly obtained a Dominion Seed Grain Advance in 1915 in the amount of fifty-six dollars and eighty cents ($56.80). Payments totalling fifty-five dollars ($55.00) have been made and there is presently outstanding a balance of fifty-seven dollars and thirty-five cents ($57.35) including accrued interest to March 31,1939. As security liens were registered on the above land.

Title to the SE 14-51-6-5 was issued in the name of the debtor but the debtor's entry was cancelled in respect of the NE 24-50-7-5 and this latter parcel accordingly no longer represents security for the advances.

The debtor is now deceased and a son Howard Kelly holds title to the larger portion of the SE 14-51-6-5 containing 149 acres more or less.

The son some time ago sold one acre of the above quarter for the sum of thirty-seven dollars ($37.00). The purchaser cleared the one acre and erected a public skating rink thereon at a cost of somewhat more than three hundred dollars ($300.00). That individual has now sold this fraction of the quarter for the sum of three hundred and fifty dollars ($350.00) and finds it necessary to deliver a clear title thereto. He approached this office through his solicitor with a view to having the lien released.

In view of the small amount owing, this Branch deemed it advisable to endeavour to arrange settlement of the full account and has written the son requesting that he arrange settlement of the account in order that the title to the one acre may be clear but no reply was received. A Departmental Inspector called at his place of residence but found that he was away working in another territory and was unable to contact him.

Cont.

Cont.

The solicitor handling this matter has again contacted this office and advised that one of the individuals involved in the trans-actions covering the one acre is now deceased and that the presence of his lien on the fraction is seriously hindering the pro-bating of the Estate and have requested early action.

The value of the balance of the quarter still remaining in the name of Howard Kelly was taken up with the Municipality who advised that the fair value of the land exclusive of all improvements would be two thousand, five hundred and eighty dollars ($2580.00) while tax arrears amounted to two hundred and sixty dollars and forty-seven cents ($260.47). It appears that there are certain buildings on the property which would be of considerable value as the property is immediately adjacent to the hamlet of Tomahawk and certain commercial establishments have been erected thereon.

As the party who finds it necessary to remove the lien from the one acre in question will suffer some loss in respect of this property after paying the expenses of transfer and as the account is relatively small and amply secured, I would recommend that the lien be released from the small fraction involved as described in title number 55-V-93, the account being retained as a charge on the major portion of the quarter which still stands in the name of Howard Kelly.

Yours very truly,

CHIEF COLLECTOR.
